To The Secretary to the Government of Madras,

Department.

Sir,

As the old Municipal High School building at Bellary which was placed at the disposal of this Department under the orders contained in G.O. No. 825 W., dated 21st July 1907, has recently been declared by the P.W.D., to be unsafe and unsuitable for occupation until the entire roof and walls have been reconstructed, the offices of the Assistant and Sub Assistant Inspectors held therein have to be provided with accommodation elsewhere. The P.W.D. have stated that no other public (civil) building is available at Bellary, and the Assistant Inspector who was asked to find a suitable private building has up to now failed to do so. It is stated, however, that there is, next to the ~~Public~~ ^{Inspectors} Office, a military building, known as staff Sergeant's Barrack, which has been empty for a long time and which would be suitable, for the offices which now have to vacate the old school.
