Sir,
(Through the Collector, Kistna, Masulipatam).

SIR,

I have the honour to submit that on an application made by this Council for a subsidy of Rs. 10,000/- each for the acquisition of sites and construction of school buildings for the two Municipal Elementary schools, one in Dhoby street and another in Sivalayam street, the Government has been pleased to grant Rs. 12,000/- & 8,000/- (20,000) in their orders Nos. 771 of 19-8-13 & 122 of 27-1-14 respectively for the 2 schools.

Accordingly Rs. 6,598-2-0 for the acquisition of site and Rs. 3,324-8-10 for the construction of school building were spent for Dhoby street school, in all being Rs. 9,922-10-10; thus leaving a balance of Rs. 77-5-2.

The awardees in this case being dissatisfied with the -- award made by the Revenue Department (The award being 403 Sq. yds., at Rs. 12-8-0 per Sq. yd., Rs. 759-0-0 for the house with 15% allowance having amounted to in all Rs. 6,598-2-0) put in their claim in the District Court, Kistna for a higher value and the same has been decided in Compensation Case No. 43 1915 (Copy enclosed) to be paid as follows.--

Rs. 1503-10-0	To be paid over & above the amount already awarded to Claimants.
" 615-0-0.	-do- being the proportionate cost on the amount disallowed. Viz., Rs. 11,868-2-0.
Rs. 2118-10-0	Total.

This amount now requires to be paid to the claimant by the Council. The Claimant is intending to execute the decree of the Court.

I therefore request that, in pursuance of my Council's Resolution No. 321 dated 25-7-17, copy enclosed, the Government will be pleased to grant the sum after deducting Rs. 77-5-2 -- therefrom i.e., Rs. 1041-4-10 from Provincial Grant for being paid to the claimant which is to be done shortly.

I have the honour to be,

S i r,

Your most obedient servant,

Copy of District Judge's award Dis. No. 1005/10-2-1917, dated Masulipatam, to the Collector, Kistna.

Present.- J. J. Cotton, Esq., M.A., I.C.S.,

District Judge,

Monday, the 19th day of January 1917.

Compensation Case No. 43/1915.

Original petition No. 1054 of 1915.

Between

1. Devarakonda Subbamma, 2	--do-- Rattayya.
3. -do- Ramudu	4. --do- Seshayya.-- Claimants.
Revenue Divisional Officer, Bezwada.--	Respondent.

Reference under Section No. 18 of the Land Acquisition Act made by the Revenue Divisional Officer, Bezwada Division, in respect of 403 Sq. yds., of site and house bearing T.S.No. 1974 at Bezwada and acquired as per award No. 2/1914.

This original petition coming on for hearing on Saturday the 27th day of January 1917, in the presence of Mr. I. Venkatadri Naidu, Pleader for the claimant, and of Mr. S. Hanumantha Rao, Vakil for the respondent, and having stood over to this day for consideration, the court delivered the following award.--

A house in Dhoby street, Bezwada, was acquired for a school as per Notification No. 1008 dated 26-5-1914 published at page 366 of the Fort St. George Gazette of that date, Mr. E.A. Harvey, the awarding -- Officer, examined five witnesses and awarded Rs. 12-8-0 per Sq. yd., for the 403 yards of site and Rs. 759-0-0 for the house, total with 15% allowance being Rs. 6,598-2-0. The claimant is a widow dhoby woman with three sons. She claims Rs. 40/- a Sq. yard and Rs. 1250/- for the house. In her petition she says that a person offers her Rs. 30/- a Sq. yard., and that neighbouring sites had been sold one for Rs. 20/4 a Sq. yd., and one for Rs. 14/- a Sq. yd., Only one witness has been -- called S. Venkataratnam who was examined by Mr. Harvey on 3-7-1914. He then produced the sale deed which he has not now. Under it he sold --

74 Sq. yds., of site with a tiled house on it for Rs. 1500/- on 8-5-14. The house was worth Rs. 200/- as he stated to Mr. Harvey though he tells me Rs. 100 or 150/- . Mr. Harvey considered there were special circumstances for this high price and it now appears that the buyer had a house adjoining. Even then I doubt if he -- would have paid a fancy price. A mean may be struck between --- Rs. 12-8-0 which Mr. Harvey awarded and the Rs. 17-8-0 rate of Venkataratham's purchase. It has to be remembered that the --- claimant is a widow woman with three sons and that the house is a very large one in good repair. I consider that Rs. 15/- should be awarded for the site and Rs. 1,000/- for the house which is - said to be a building of 16 rooms. The award will be revised accordingly. The Collector will pay proportionate costs. Claim- ant should pay proportionate costs on the amount disallowed as her figures are extravagant.

Pronounced in open court this 29th day of January 1917.

A W A R D.

In accordance with the above finding, this court doth order and direct that the respondent do pay do pay Rs.1,503-10-0 to the claimants over and above the amount already awarded to them and also proportionate costs on the amount disallowed, Viz., ---- 11,868-2-0 to the respondent.

CNo. 2688A from the C.M.C. Bezwada, No 825 of 31.7.

[Subject. - Application for a further grant of Rs. 2041 towards the construction of an elementary school building.]

It is observed that the amount of grant required is Rs. 2041-4-10 according to the Chairman's calculations and not Rs 1041-4-00 as stated in the letter.

2. The provision of one lakh in the budget estimate for the current year for the payment of subsidies to local bodies towards the construction of elementary school buildings has ^{already} ~~almost~~ been distributed leaving a balance of only Rs 128. There is at present no source from which the required amount (Rs. 2041) could be found.

3. Neither the Chairman's letter nor the Council's resolution contains any explanation as to ^{whether} ~~why~~ the amount could not be found from municipal funds and why a Govt. grant is necessary. The L & M Department have not also examined this point. The Council seems to be under the impression that because a grant was sanctioned towards the construction of the building, the entire cost thereof should naturally be met from municipal funds. It appears desirable to disburse

the Council of this erroneous idea. Before, however, taking any action the L.T.M. Dept. may, it is submitted, be requested to examine the question whether the additional amount required could not be found by the municipality.
