Sir,

The nature of my work in college demands that I should be in intimate touch with the local flora and fauna including their seasonal variations. I have often to go out far from the college to study and collect specimens in the field not only for purposes of class teaching, but also for the purpose of adding to a herbarium and a collection of plants.

Sir,

I have the honor to submit for
favorable kind consideration the following
application of mine for a grant of an
advance to me for purchasing a
motor cycle (under Art. 134. Civil
Account code, vol I):-

The nature of my work at college
demands that I should be in intimate
touch with the local flora and fauna,
noticing their seasonal variations.
I have often to go out far from the
college to study and collect specimens
in the field not only for purposes of
class teaching, but also for the purpose
of adding to or renewing the school
collection. The places I have generally
been visiting

sometimes St. Thos. Mount and Pallavaram.
I have been visiting the above places
for another purpose also — for photo-
graphing specimens in the field.
More than two hundred original
photographs of South Indian plants
have been taken by me and lantern
slides have been prepared out of
most of them. The superiority in
educative value of the lantern slides
of local plants to those of foreign
ready made ones is too well known
to need any mention here. At present
I am using an ordinary cycle if
I want to visit the above places.
These long distance rides take up
much time and often are very tiring.
But with a motor cycle, I can do a
larger amount of work and that in
a shorter amount of time. The
possession of a motor cycle by me will
contribute very largely to greater
efficiency in the carrying on of my
work and so may be considered to
be in the interest of public service.

I have therefore the honor to request
that you will be so good as to recommend
to the Government to grant me an
advance Rs 600/- (Rupees six hundred
and fifty only) towards the purchase of
a motor cycle, the same to be recovered
in twenty-five monthly instalments of
Rs 26/- each.

I have the honor to be,
