Sir,

I have the honour to submit herewith an application for grant in aid of the cost of installation of gas and water supply in the Voorhees College, Vellore, together with the necessary plans and estimates.

2. The total cost, viz., Rs. 7,456/- mentioned in the application includes Rs. 500/- towards the cost of construction of a gas and plant house towards which aid should perhaps technically be sought under Chapter VIII rather than under Chapter IX of the Grant-in-Aid Code, but as the gas and plant house is a necessary part of the installation, the whole scheme is treated together.

3. I recommend that under Rule 57 of the Grant-in-Aid Code, a grant not exceeding Rs. 3,728/- or one-half of the actual cost whichever is less may be sanctioned under Rule 57 of the Grant-in-Aid Code to be paid as funds become available on submission of vouchers before 1st March 1918.

4. I request that the enclosures may be returned when no longer required.

I have the honour to be,

S i r,

Your most obedient servant,

Subject - Installation of gas & water supply in the Voorhees College, Vellore.

[C.N. 670 B]. From the P.W.D., Rce No. 5554/17 dt the 20.7.17.

The suitability of the gas and plant house in this case has not apparently been examined by anyone as was done in the case of disposal of the G.O. No. 1061 Sd dt the 6.10.16. The plan and estimate relating to the work may therefore be forwarded to the P.W.D. for scrutiny. For a precedent please see G.O. No. 1214 Sd dt the 11-11-15

The plans and the estimate have been scrutinized in the Chief Engineer's office and as far as can be made out from them, the price quoted seems reasonable. With these remarks, the file may be returned to Home (Sd)

Primarily the P.W.D. of the college has satisfied himself as to the suitability of the plant for his laboratory. Home Sd dt 20.7.17
