Letter from the Chairman, Municipal Council, Salem,
To the Chief Engineer to the Government of Madras,
Dated the 17th May 1917,
No. 107/R.

I have the honour to state that the Salem College
buildings have been sanctioned long ago, that an estimate for
G.O. No. 1494-W., | the same was app passed
dated 12-8-1915. | at about Rs. 80,000 and
subsequently raised to Rs. 1,30,000 (excluding the cost of the
site). The need for the new premises was evident to the
Director of Public Instruction and to the University Commission
when they visited last year the gloomy, dark, ill-ventilated
rooms in the premises now occupied by the College and I have
the honour to request that the work may be begun this year.
The site has been provided by the Municipality in the College
Hostel compound and has been approved. A small allotment
could be spent this year in putting up the foundations and
probably the next year or the year following, the buildings
may be completed. I have therefore to request you to take
very early action this year to secure an allotment to begin
this work i.e., a portion of the work at least.
