Order

The papers read above relate a proposal to raise the
status of the incomplete secondary school at Angadipuram which is
under the control of the Malabar District Board to that of a
secondary school.

Proposed

2. The Malabar District Board is proposed to meet the
whole of the estimated extra cost (Rs. 296) involved in the pro-
posal in the current year and to contribute one-half of the
additional net cost in future years and requests that the other
half of the cost may be met from provincial funds.

3. The Government approve these proposals and agree to
contribute half the additional cost involved in the proposal from
provincial funds. The additional recurring cost after all the
forms are opened is estimated at Rs. 2,580/- per annum.

4. The Government have no objection to the proposal of
the District Board that the institution should continue under

under the management of the taluk board.

5. Orders will issue separately in the Home (Education)
Department in regard to the grant required for buildings and
equipment of the school.

Copy of letter from the Director of Public Instruction, No. 9409, dated 16th May 1917.

In returning herewith the memorial forwarded to me for remarks with Endorsement No. 3934-1, Home, Education, dated 10th November 1916, I have the honour to state that I do not support the prayer of the memorialists that the Board Incomplete Secondary School, Perintalmanna (Angadipuram) may be taken over by Government and raised to the status of a complete High School.

2. I consulted the Collector of Malabar on the question and a copy of his reply is herein enclosed.

3. The Collector and the Inspector of Schools are strongly of opinion that the locality is in need of a High School and it seems to me, therefore that the best way in which the wishes of the petitioners can be met would be to ask the District Board to take over the School under their management and raise its standard with the help of a provincial subsidy.

4. The financial effect of the whole proposal is roughly shown below:

Receipts:- The Inspector estimates the probable strength of each of the Higher Forms IV-VI at 20 and the income from fees will, therefore, if all the pupils pay fees at the standard rates, amount to Rs. 2,520/- (20 X 42 X 3) per annum.

Charges:- (a) Recurring:-

Salaries of the staff according to the following suggested scale.

	Average cost per year.
Headmaster (Rs. 100-5/2-125)	1,380
3 Assistants (Rs. 80-4/2-100)	3,328
Munshi (Rs. 25-1-30)	336
Drawing-master (Rs. 25-1-30)	336
Drill Instructor (Rs. 20-1-25)	276

Establishment

Clerk (Rs. 15-1-20)	216
Peon (Rs. 7)	84
	5,940
Contingencies	60
Books, Maps, etc.,	100
Total	6,100

The annual deficit of the High School Department may thus be

-2-
be put down at (Rs.6,100---2,520) Rs.3,580.

(b) Non-Recurring-- The Inspector reports that the present buildings are unsuitable and require not only extensions but also structural alterations and estimates the capital expenditure to be incurred on buildings and equipment including library and laboratory at Rs. -- Rs.10,000 to be spread over a period of three years.

5. I would, in the above circumstances, suggest that the IV Form may be opened in July 1917 with the following staff and establishment:-

Additional Teacher (Rs.80-4-100)	Rs. 640
(for 8 months)	
Combined Drawing and Drill Master(Rs.25-1-30)	200
Munshi (Rs.25-1-30)	200
Peon (Rs.7)	56

	1,096

The recurring expenditure during the current year including contingencies (Rs.40) will amount to Rs.1,136. Taking the fee income to be Rs.840 (20 X 42), the Board will require help from Government during the present year to the extent of Rs.296/-.

As regards the capital outlay, a contribution of Rs.3,000/- may be placed at the disposal of the District Board towards expenditure during the year on buildings and equipment.

6. The expenditure of Rs.3,296/- referred to above may be met from the allotment from in the current year's budget under "Subsidies-- Board Secondary Schools". The necessary provision for the next and succeeding years may be included in the budget. I may state, in this connection, that I anticipate savings amounting to over Rs.3,000/- in the allotment in the current year's budget under "Subsidies-- Sessional Schools" and these savings may be reserved for meeting the net recurring expenditure of the proposed High School in future years.

Copy of letter from the President, District Board, Malabar No.95 G., dated 17th July 1917.

With reference to Government Memorandum No.81-1 L/O., dated 1st June 1917, I have the honour to submit a copy of the District Board's resolution dated 11th instant.

2. The Board saw no advantage in taking away the management from the Taluk Board which is more directly interested, and more on the spot.

3. As to the question of finance, the Board would be able and willing to meet the estimated extra cost in the present year: but considered that if the requirements of the Educational Department, as detailed in the D.P.I.'s letter are to be met and their estimate accepted, the circumstances would not justify the Board in meeting more than half of the ultimate net extra cost. The Board hopes that the Government, will agree to make the contribution requested.

Home (Education) Department.

It is not clear from the District Board's resolution or from the President's letter whether the District Board is prepared to provide from its own funds one half of the cost (Rs.10,000) to be incurred on buildings and equipment. Since this item of expenditure was also placed before the Board and since the resolution states in general terms that it or (the Board) will be prepared to contribute to the cost of raising the school, if the Government will promise a subsidy equal to the District Board's contribution, it is presumed that the Board consents also to meet one half of the capital outlay from its funds— please see also para 2 of Financial note on page 5 supra. In the case a subsidy of Rs.3,000/2 or 1,500/- will be sufficient for the current year— Vide concluding sentence of para 5 of D.P.I's letter on page 32 C.F. Separate orders may issue sanctioning the amount on receipt of the L & M order with a copy of the notes.

2. The draft order may be accepted in this department and the file returned to D & M.
