No. 3730/17

Station M a d r a s , Dated the 23rd JULY 17 191

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.
C. I. E.

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

H O M E (Education)

Department.

Sir,

(through the Accountant-General)

I have the honour to submit herewith a letter
from Mr. H.A.Hart, acting Inspector of European and Train-
ing schools, No. R.C.98 G/17, dated 29th June 1917, -----
requesting that he may be allowed halting allowance for
the 30 days during which he stayed on the Nilgiris and to
state that in connection with the Inspection of European
Schools on the Nilgiris it is necessary that the Inspector
should spend not less than 7 weeks on the Hills. During
the tour now in question four weeks were spent on the hills

2/

and a second visit will be necessary. It is needless to point out here the large expenses which officers have to incur during their stay on the Hills particularly in the hot weather when accommodation is not easily procurable at a reasonable rate. It appears to me moreover that special consideration should be -- given to the case of Mr. Hart not only because he had perforce to incur additional expenditure during his halt on the hills but also inasmuch as the scale of pay and the rates of travelling and halting allowances admissible to him are less than those enjoyed by an officer of the Indian Educational Service who at the same time can usually command greater conveniences and facilities for board and lodging than an officer in the position of Mr. Hart.

Under these circumstances I have the honour to recommend that Mr. Hart may be exempted from the operation of Art. 1056 of the Civil Service Regulations and that he may be permitted to draw halting allowance for the entire period of 30 days halt on the Hills at Rs. 6 for the first 10 days and at Rs. 5/- for the remaining days:

I have the honour to be,

Sir,

Your most obedient servant,

R. A. A. A.

Copy of letter from Mr. H. A. Hart, acting Inspector of European and Training Schools, Madras, R.C. No. 98 C of 17, 3 dated 29th June 1917.

With reference to your Proceedings R.C. No. 3730/17, dated 17th May 1917, I have the honour to submit the statement required (Statement I) showing the extra expenses incurred during my stay on the Nilgiris in connection with the inspection of Schools from 15th May to 15th June inclusive. While I was away during this period, there was no diminution of my expenses at Headquarters. My house, servants, carriage and horse and all necessary establishment at Madras had to be kept up. It could easily be seen therefore that these extra expenses were such as I would not have had if I had remained at Madras.

A

Statement II shows the work done during my stay on the Nilgiris. I was constantly engaged in the inspection of -- schools, as may be seen from the fact that within a month I did no less than ten schools. This will show that the comparatively long halt was entirely in the interests of the public service.

In consideration of the facts set forth above, I -- repeat my request that you will be so good as to recommend exemption from the ten days limit and obtain sanction for my drawing halting allowance for 30 days.

2. There is no audit objection to Mr. Hart being exempted under the note to article 1114-Civil Service Regulations, from the operation of article 1056 and to his being granted halting allowance for the entire period of 30 days he halted on the Hills at Rs.6/- per diem for the first ten days and at Rs.5/- per diem for the remaining days, if Government are satisfied that the prolonged halts were necessary in the interests of the public service and entailed extra expense after the first ten days.

CNo. 2646A from the D.P.I., no 37308 23.7.17
 [Subject - exemption of the Inspector of European
 and Training Schools from the operation of
 art. 1056 + 1114 of the C. J. R.]

The Director appears to have made out a
 case for exemption in the case of Mr Hart.
 The rate of allowance (Rs. 5) proposed for the
 halt beyond the first ten days ^{however} for approval.
 It may be noted that in the case of the
 professors of the Engineering College who attended
 the survey camp ^{in similar circumstances} half the usual rates
 were sanctioned - for no 920 of 12.7.17.

(E) The special circumstances in this case
 is the stay on the hills of an ^{officer} ~~officer~~
 who is of lower status & pay than
 the officer who usually fills the
 post & who in consequence had
 to be remunerated in the way
 proposed.

CA
 19.8.17

We have refused to sanction this
 exemption in the case of S.E. S
 officers. What is the total amount
 an S.E. S officer would draw without the
 exemption. Against the amount
 remitted to Mr Hart?

NOTES.

Page 2

Submitted that an I. & S. ^{officer} is entitled to a daily allowance of Rs. 5 on the plains (Art. 1063 of the C.S.R.) while an ^{inspector in} ~~officer~~ of the P.S.S. though getting more than Rs. 500 can get only Rs. 4. (Item 93 in Appendix no. 25 to the C.S.R.) In hill stations these allowances are increased by 50 per cent. So far as the ~~actual~~ travelling allowances are concerned Mr. Hart who is now getting Rs. 600 is on the same par as an I. & S. officer.

2. With reference to the portion marked 'A' in the Secretary's note on page 1 before it is submitted that no exemption has been refused in the case of I. & S. officers. Mr. Melville, the permanent Inspector of European and Training School, did not apply^x for any exemption. In G.O. no. 1401 of 13.12.15 ^{the} exemption applied for on behalf of the establishment was also refused.

See
no. 17

See
no. 17

The chief point is, not the lower status of the officer, but the absolute necessity to spend more than 10 days in the same place on duty. Generally any request to spend a long time on the hills should be considered with caution. Here it is clear because the

on page 1 of G.O. no. 1401 of 13.12.15 & page 2
of G.O. no. 935 of 2.9.16

O.P. I certify that a stay of 7 weeks is necessary, at the same time the expense of stay for a long period will not mount up proportionately to the length of stay. I should consider

- (1) A. admissible under the rules for 10 days
- (2) A. half beyond 10 days, for 32 days extra
- (3) No A. beyond 42 days
- (4) The period of half should be reckoned on the sum total of all the halts in any calendar year.

Examine

27/8/17

In the present case the total period for which the Inspectors stayed in the hills is 32 days and halting allowance is claimed only for 30 days. Examples for more than 30 days requires the sanction of the Govt. of India - ~~not in order 1114~~ of the C. S. R. It is submitted that there is no objection to the payment of the full daily allowance for the first ten days and at half the usual rate for ~~the first~~ ^{the remaining} twenty days.

Under the rules in the C.S.R., such visit will have to be treated separately for purpose of daily allowance, but having regard to the spirit of arts 1114 & 1115 of the C.S.R., it appears open to the local Govt. to issue such orders as may consider suitable, & this apparently covers the suggestion (4) above.

NOTES.

Page 4

I am inclined to sanction

- (1) d.a. at full rates for 10 days
- (2) d.a. at half rates for subsequent days not exceeding 32, provided the total period of continuous stay on any occasion is less than 30 days
- (3) No d.a. beyond 42 days
- (4) The period of halt to be reckoned on the sum total of all the halts in any calendar year.

Or the inspector should draw his d.a. under the usual rules - for not more than 10 days at a time and a suitable break between visits. The D.P.I. being held responsible as countersigning officer to see that the number of visits is not unduly large & that enough work is shown at every halt.

to establish the usual rules are found.

D.P.I. (10)

No 1874 Dg 4. 9. 17

I do not see that to that extent as any less for one of them another - the way will cost him as much as the first. He knows to be kept in mind and that in the first place he has to keep up his house elsewhere while he is on the hill and

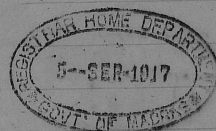

3180

the remarkably ball training office

equally

Secondly that he is practically obliged to live in a hotel. From his statement of expenses it is clear that he is not extravagant in his choice of a hotel. He also uses a rickshaw which is the cheapest way of getting about. There are other incidental expenses which he does not mention such as warm clothes that make his life on the hills more expensive than his ordinary life on the plain. and I do not think my fortnightly are at all extravagant. Mr. Harts position is quite different from that of European officers and I do not see why he should be penalised because rules have had to be made to express a tendency on the part of the latter to make their work a pretext for longer walks on the hills than it would properly justify. It so happens that the hill station is an important educational centre it is not so far as I know in the case of any other department.

I am disposed to agree with the D.P.I.

As a special case (the D.P.I. does not want to put the precedent to be applied to 228 men) full d.a for the period of stay not exceeding 30 days may be sanctioned.

11/11/17

A draft order sanctioning full daily allowance for 30 days is submitted for approval. It may however be noted in this connection that in his official letter the Director recommended the payment of the full daily allowance of Rs. 6 for the first ten days, and of Rs. 5 ^{only} thereafter for the next 20 days.

We may sanction at the rates recommended by the D.P.I. in his letter.
