READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—the 23rd December 1916.

No.—Ref. on Our. 8853/1916.

In applying for the sanction of Government for the admission of a fresh batch of higher elementary students into the Government Muhammadan Training School, Madras, Mr. Duncan recommended in his letter C. No. 2839/1915, dated 19th June 1915, the raising of the status of the school to the higher elementary grade with effect from 1st July 1916, but while according sanction to the admission of a fresh batch of students and to the retention of the temporary staff for another year, i.e., until 31st March 1917 Government requested the Director in their order No. 1466, Educational, dated 24th December 1915, to bring up the question of the permanent retention of the higher elementary class next year.

2. The present strength of the higher elementary class is 16 and it is stated that no applications for admission into the class have been called for this year since the question of its continuance has not been decided. Both the Inspector of European and Training Schools and the Inspector of Schools, IV Circle, consider the permanent retention of the class necessary for the reason that there is no other higher elementary training school for Muhammadans in the Presidency and that at least one higher elementary training school is necessary to serve the needs of the Urdu speaking Muhammadan community in the Presidency. From the particulars noted on the margin regarding the number of students admitted into the class since 1909 and the

number passed out, it will be observed that the class has eminently fulfilled its existence and that the raising of the standard of the school is necessary in the interests of Muhammadan education. I have the honour therefore to request that you will be so good as to obtain the sanction of Government for raising the status of the school to the higher elementary grade and for revising the scale of staff and salaries as already recommended in this office letter R.C.

NOTES CONNECTED WITH G.O. No. 117, HOME (EDUCATION),
DATED THE 27TH JANUARY 1917

[SUBJECT.—*Permanent retention of the higher elementary training class in the Government Muhammadan Training School for Masters, Madras.*]

*From the Director of Public Instruction, dated the 23rd December 1916,
R.O.C. No. 8853.*

Please see G.O. No. 896, Educational, dated the 16th August 1915, and G.O. No. 1466, Educational, dated the 24th December 1915. The figures furnished by the Director of Public Instruction in paragraph 2 of his letter in the current file seem to show conclusively that the temporary higher elementary class in the Government Muhammadan Training School for Masters, Madras, has so far been a success and that it meets a genuine demand for higher elementary grade teachers. It is therefore for orders whether the proposal to retain the class permanently may be approved.

2. The staff proposed for the school is the same as that sanctioned for other higher elementary training schools in the Presidency with the exception that it is proposed to leave out the Agricultural Instructor. If the permanent retention of the higher elementary training class is approved, the scale of staff proposed by the Director of Public Instruction may be sanctioned.

3. Subject to approval, a draft order is submitted below. It may be sent to the Financial Department for acceptance. That department may also be requested to make the necessary provision in the next year's budget estimate.

(The Director of Public Instruction's letter should have come through the Accountant-General; but as that officer had already made his remarks on the proposal at page 5 in G.O. No. 896, Educational, dated the 16th August 1915, the papers need not be referred to him again.)

FINANCIAL DEPARTMENT.

Attention is solicited to the Financial Department notes on page 14 of G.O. No. 896, Educational, dated 16th August 1915. The Government Training School for Muhammadans at Madras was a permanent higher elementary grade training school till 1914 when in connection with the scheme of reorganisation of training schools for masters it was reduced to a lower elementary training school. Since June 1914, however, temporary classes for the training of higher elementary grade teachers have been in existence in the school. The sanction last accorded G.O. 1466, Educational, 24th December 1915. It is now proposed to transfer the higher elementary training class from a temporary to a permanent basis. The proposal involves a revision of the staff and pay as shown in the Director's letter, the net result being an extra cost of Rs. 131 per mensem or Rs. 1,372 per annum.

2. The Director of Public Instruction and Home (Education) apparently consider that the proposed expenditure is of immediate and imperative necessity. If so, the proposals may, it is submitted, be accepted in Financial, the sanction being registered as No. 11 of 1917-18. The scale of staff and the rates of pay proposed follow those allowed to existing higher elementary training schools, and do not call for any remarks.
