Sir,

In G.O.No. 1345 Hd1., dated 30th November 1914,
a grant of Rs.19,22b was sanctioned towards the cost of
acquiring a site and constructing a building for the Danish
Mission Secondary school, Tiruvannamalai. Out of this
grant, a sum of Rs.2,700 related to the site, the cost
of acquisition of which was estimated at Rs.5,400. The
management purchased a portion of the site by private
negotiations for Rs.6,500, the remaining portion being
acquired under the Land Acquisition Act for Rs.5,806. The
total cost of acquisition thus comes to Rs.12,106 against
the originally estimated amount of Rs.5,400. As a grant

Copy of a letter dated 4-6-17, received from the
Correspondent, Danish Mission High School, Tiruvannamalai:-

In reply to your letter, R.C. 8736/13, dated 22-5-17,

I have the honour to state (1) that the original site for the ---
Danish Mission High School New Building was purchased in the year

1914, (2) that the price paid was mentioned
and added to the cost of the building (about Rs.33,000) bringing
the total to a sum of Rs.39,000 and odd,

(3) that grants have been sanctioned
amounting to one-half of the above sum, namely Rs.19,500.

Further I most respectfully beg to observe, that there
seems to be a misapprehension eventually in connection with the term
"additional grant" used by me in my previous letter.

The grant now applied for has no connection whatever --
with the purchase of the original site costing Rs.6,500/- but refers
to an additional piece of land measuring about 56 cents and situated
to the west of the original site, separating this from the street,
as shown in the sketch sent with my application. Government were
pleased to consider the acquisition of these 56 cents necessary
for the school and to order it effected under the Land Acquisition
Act last year, as it was not possible to settle the purchase by pri-
vate negotiations. The Danish Mission paid Rs.2900/- whereas ----
Government advanced Rs.2700/- out of the grant sanctioned for the
original site and building.

The Danish Mission has thus paid Rs.5600/- for this west-
ern site purchased through the Revenue Department in 1916, and it is
this site and its cost, which my application refers to.

I most respectfully beg to express the hope, that the
Director will favourably consider my application, as the expense is
a very heavy burden on the Mission and as the Department on the ---
strong recommendation of the Inspector of Schools, V Circle, were
pleased to consider the acquisition indispensable for the school.

169 B-2 of 28.6.17

with his letter No. 8736/13 of 22.5.17

2.4.16 read in G.O. No. 1345 B.C., the 20.11.16
the A.P.2 submitted an estimate amount-
ing to Rs.39,000 for the construction of
a building for the Danish Mission
secondary school, Tiruvannamalai. As
a result of the Chief Engineer's scrutiny
the estimate for the building was
reduced to Rs.33,000 and consequently the
total cost of the scheme was reduced to

Cost of site Rs.5,400 - 2700
" " building - 33,000 - 16,525
" " " " 20,450 - 19,225
Rs.38,450. A half grant of Rs.19,225 was
sanctioned in the G.O. quoted above.

Subsequently, the site was acquired under
the Land Acquisition Act. It cost Rs.5,400
of which Rs.2,700 was met from the Govt.
referred to above and Rs.2,700 was furnished
by the management from its own fund.

2. It is not clear from the A.P.2's letter
of the 2nd May, 1917 how the additional
grant of Rs.2,803.
According to the figures given in the
Director's letter referred to above the
amount of the additional grant was
out at Rs.3,353 as follows:-

8/

Cost of site purchased by the management by private negotiations	R 6,500 ✓
Cost of site acquired under the L.A. Act (about 58 cents)	5,606 ✓
Total	12,106 ✓

Grant admissible (One-half)	6,053 ✓
Grant sanctioned	2,700 ✓
^{Additional grant} Balance is payable.	<u>3,353 ✓</u>

3. The Comptroller, however, states that the additional grant now applied for has no connection whatever with the purchase of the original site ① above costing Rs 6,500. but that it refers only to ② the site acquired under the L.A. Act. The latter site cost only Rs 5,606 towards which, as already stated, the Govt. contributed Rs 2,700 though a maximum grant of Rs 3,353 was admissible. If therefore any additional grant is now payable ^(in respect of that site) it can only be the difference between Rs 2,803 and the 2,700 or the 103 and not Rs 2,003. as stated by the A.D.O.

4. The A.D.O. is requested to explain clearly the discrepancies noted in paras. 2 & 3 above furnishing, if necessary, a sketch showing the sites under reference. He should also state why, if at all, grant should be paid in respect of land which was purchased by the mission out of its own funds in 1914 without apparently having the provision of the franchise Act.

Sir,

With reference to your Memorandum No.169 B-2, dated 28th June 1917, in connection with the acquisition of certain sites for the Danish Mission Secondary School, Tiruvannamalai, I have the honour to state that the land which was purchased by the Mission in 1914 and the land acquired under the Land Acquisition Act were both included in the scheme for which grant was recommended in my letter R.C.No.8736/13, dated 3rd April 1914, and that the school authorities were permitted to make the purchase without prejudice to the question of grant.

grant, The two portions that were acquired are shown in the enclosed sketch and bear Nos.178 and 179, No.178 being the portion acquired under the Act. Although the cost of these two portions was originally estimated at Rs.5,400, it rose to Rs.12,106 when they were actually acquired. In the correspondent's letter dated 5th March 1915 submitted with my endorsement R.C.No.8736 of 13, dated 12th April 1915, he made no mention of his intention to claim any additional grant as he thought that he could claim it when the exact amount of the cost of acquisition was known. Although the additional grant payable to the management works out at Rs.3,353, he requests sanction of only a grant of Rs.2,803 which is one-half of the cost of acquisition of the site acquired under the Act.
