From (Name) C.A. Innes, Esqr., I.C.S.,

(Designation) Director of Industries, Madras.

To The Secretary to the Government of Madras,
HOME (Education) Department.

Sir,

I have the honour to report that the Chrome Leather Company of Pallavaram has applied to me for a loan of the Bark Mill at the Leather Trade School. I have ascertained that the Mill has never been used at the school and is not required at present. Mr. Guthrie, moreover, informs me that it would not be safe to work the Mill in the Leather Trade School buildings owing to the risk of fire which is considerable. I have ventured therefore, in anticipation of sanction, to allow Mr. Chambers to remove the Mill on the following terms:-

- (1) The mill to be returned on demand if I want it.
- (2) Costs of conveyance to and fro to be borne by him.
- (3) Rent of Rs. 10/- per mensem.

⑦ ⑧
for Rs. 38 + 1386
10. 1. 16 18/7/77

The rent which I propose to charge is less than Government
hitherto charged for machines lent from the school to Mr.
Chambers. The capital value of the machine is Rs. 675/-
and the rent I have charged works out to 18% on the capital
value to cover depreciation and interest charges. I think
that the rate charged is fair but if Government would like
it raised I have no doubt that Mr. Chambers will agree. A
specification of all the parts of the machine will be made
out and a receipt obtained for them.

I have the honour to be,

Sir,

Your most obedient servant,

Calme

Director of Industries.

M.N.

Subject Loan of the Bark
Mill in the Leather Trade School
to the Chrome Leather Comp^y Palladium

The Govt have till now
sanctioned the loan of two
machines in the Leather Trade
School to Messrs Chambers & Co.,
to enable them to execute
promptly orders placed with
them for boots by the Mili-
tary Department. It is now
proposed to lend a third machine
to the Company. There appears
to be no objection to this.

2. The rent ^(proposed to be) charged is Rupees 10
per mensure as against Rata
Day fixed on the two former
occasions. It does not ~~appear~~
appear that Rs 10 is too low
in the present case. Attention
is solicited to the P.W.D note on
page 2 of notes to go. N-1386
Home (Edn), dated the 18th Decem^r
1916, from which it will be seen

G.O. N-388 10.1.16 (T)
H.O. N-1386 18.12.16 (F)

that that Dept. charges 15 cent on the book value ~~of the~~ machinery let from the P.W. Stores to private persons + 10 per cent to Govt departments. In the present case the rent works out at 18 per cent.

3. Condition (3) in G.O. No. 138 Home (802), dated the 18th Dec is not one of the conditions proposed by the Luns in the present case. As the mill has already been removed it may perhaps be sufficient if it is laid down that company should pay the cost of repairing any damage that may be found to have occurred other than reasonable wear & tear.

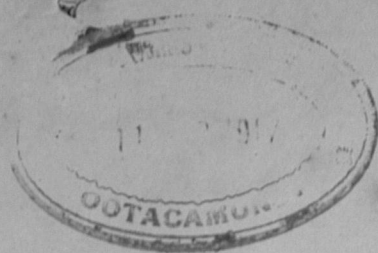

4. A draft order is submitted for approval. It may be sent to the acceptance.

The cost of the machine for town of which was purchased in 1903 at 10-1-16 is Rs 800/- The cost in the present case is Rs 675/-. It is for consideration whether the purchase may not be fixed at Rs 20/- from especially the chambers is unlikely to pay a higher rate.
