To The SECRETARY TO GOVERNMENT,
HOME DEPARTMENT (EDUCATION).

Sir,

I have the honour to report that the Government Training School for Masters, Coimbatore, was closed for the Christmas holidays from the 13th December 1916 to the 17th January 1917 owing to the prevalence of plague in the town and that both the Collector and the District Medical and Sanitary Officer who were consulted in regard to the reopening of the school on the 18th instant have stated that the school should not be opened on that date as there have been rat-falls and plague attacks in the houses adjoining the school building. The Inspector of European and Training Schools considers that it is not desirable to close the school for any further period

Note - It is presumed that the extra charge can be met by the S.P.

2. I beg to add that the Government Training School for Mistresses, Coimbatore, which was closed for the Christmas holidays has not yet been reopened for the same reason and that as Palghat to which the school was transferred last year does not seem to be quite free from plague I am asking the Inspectress to select a suitable station to which the school might be transferred.

I shall address Government later, if necessary, on receipt of her reply.

I have the honour to be,
