Sir,

(J) In G.O.No.778 Edl., dated ^{the} 17th July 1915, certain
proposals for the working of the scheme of Manual Training to be
undertaken by the Manual Training Instructor attached to the Ins -
pector of European and Training Schools, were approved. One of
them related to the appointment of a Workshop assistant on a
salary of Rs.40 per mensem and one R.C. Isaac was appointed as
temporary workshop assistant on probation for three months and he
entered upon his duties on the forenoon of the 13th ~~Sept~~ September
1915.

P.T.O.

As his work was reported to be satisfactory, his further retention in the post has also been sanctioned. In March 1917 he applied for an increase of pay and stated that as his post was only temporary and ^{now} pensionable, he might be placed in a ~~great~~ graded scale rising to Rs.60. Mr. Fyfe, the Manual Training Instructor, who speaks well of his work recommends the request, and the Inspector of European and Training Schools, also considers that he deserves encouragement. The proposal seems reasonable and I have the honour accordingly to request that Government will be pleased to fix the pay of the post ~~of~~ at Rs.40-4-60 per mensem (annual) with retrospective effect from 1st April 1917, so that he may draw ~~an~~ a salary of Rs.44 from 1st April 1918.

2. Provision for the increased salary will be made in the budget estimate for 1918-19 in anticipation of the sanction of Government.

I have the honour to be,

S i r,

Your most obedient Servant,

G. V. Srinivasan

⑦ Please see G.O. No. 246 dt 20.9.12 in which Govt sanctioned the employment of two manual training instructors, one in the Teachers' College, Saidpur and the other under the Inspector of European and training schools. Each of them was allowed an establishment consisting of two workshop assistants on Rs 25 and Rs 20, respectively, p.m. and one Carpenter on a monthly pay of Rs 20. The instructor employed under the Inspector of European schools was given three demonstrators on Rs 25 each p.m. Subsequently on the representation of the inspector for European schools the two posts of workshop assistants on Rs 25 and Rs 20 were converted into one on Rs 40 and the number of demonstrators was increased from three to four - G.O. No. 778 dt 17.7.15.

⑦ 2. The two manual training instructors are apparently doing almost similar work and therefore their workshop assistants should also be doing similar work. It follows therefore that their pay should also be similar. For the reason given in the D.P.D. letter on page 2 of G.O. No. 778 dt 17.7.15 the pay of the workshop assistants of the instructor for European schools was specially raised to Rs 40 p.m. It is now proposed to raise it still further to Rs 40-4-60 p.m. (annual)

Vide the same G.O. ⑦

3. If the increase now applied for is sanctioned if it so happens that the workshop assistant of Teachers' College ^(who may be) discharging similar duties also makes up his mind to apply for a similar increase of pay, it will be difficult to resist his claim. It is also not known what exactly the assistants' duties are and whether they keep him engaged all day long and are so heavy as to justify a further increase of pay. The request is suggested in order to obtain these particulars. For orders, whether it may issue or not, 17.9.17.

The situation in the Teachers' College & under the Manual Training Institute & attached to European schools is not the same; in the former there are still two shop-assistants on Rs 25 & 20 respectively; under the latter only one on Rs 40. I therefore have little position regarding what are the duties of the assistants in the Teachers' College in order to compare them with those of the Rs 40 man under the Manual Training Institute attached to European schools. As regards the latter, I think this is a matter in which we must be guided by our expert advice who could not have made the recommendation unless he thought

the man with the pay proposed. He
can think he dealt with their mind &
then there is no fear of a present
big matter. I submit that the D.P. 17
view may be adopted.

Letter D 22-5-15 which shows that the
pay of the workshop assistant attached to
the Inspector of European and Training
schools was fixed at Rs 40 so as to
secure "the services of a reasonably
intelligent artisan who would be of
real help to the instructor in a manual
training centre and who would be able to
if possible, to teach junior classes during
the instructor's absence on inspection
duty." The case of this subordinate
appears to be different, as pointed out

How this is to be done?

in Home Secy note on pp 2-3 ante, from the two workshop assistants sanctioned in G.O. 845 Edl. D 20-9-12 for the Instructor attached to the Teachers' College.

The D. P. J. now recommended and the Home Secy. strongly supports the proposal to fix the pay of the post at Rs 40-4-60 per mensem. The post appears to be an isolated one; and in view of the strong recommendations made by the Home Secy. it is for orders whether the incremental scale now proposed may be accepted.
