No. 59.

FROM

THE HON'BLE SIR E. D. MACLAGAN, K.C.I.E., C.S.I.,
Secretary to the Government of India,

TO

The Secretary to the Government of Madras,
Education Department

Department of Education.
Education.

Simla, the 13th January 1917.

SIR,

I am directed to state that it is considered desirable to incorporate in Volume V (Education) of the 'Statistical Abstract for British India' statistics relating to (1) the number of successful examinees at certain examinations of the Indian Universities and (2) the number of undergraduates in arts, etc., in the several provinces of British India.

2. The figures for successful examinees are to be given in the first instance for the years 1900 to 1916 in the form A attached to this letter. In future they would be furnished annually in the attached form B. In the case of undergraduates the figures are required in the first instance for the last ten years and thereafter annually in the forms indicated respectively in tables C. and D. appended to this letter. The term "undergraduate" denotes one who has been admitted to a college, whose name is still on the rolls of a college and who has not yet taken a degree. Figures for Native States and Ceylon will be excluded from both the statements.

3. The Government of India will be glad if, with the permission of the Governor in Council, the University of Madras may be asked to supply direct to the Director of Statistics with the Government of India, Calcutta, the required information in the prescribed forms and regularly in future by the 1st November of every year. The Government of India would also feel obliged if a copy of these statements could at the same time be forwarded to this Department for information.

I have the honour to be,

SIR,

Your most obedient servant,

Smalloy

Secretary to the Government of India.
