Calcutta, the 13th January 1917

SIR,

J. S. S. 16th

With reference to your letter No. 3887-1, dated the 31st October 1916, I am directed to say that there is no separate Code of Regulations for technical education in Bengal and to forward herewith a copy of the Rules and Orders of the Education Department, Bengal (published in 1908), Chapter XI of which relates to technical and professional education. No later edition of the Manual has yet been prepared and this Chapter is consequently out of date. I am also to enclose a copy of the calendar of the Sibpur Engineering College, which contains some information which may be of use to the Government of Madras.

2. I am to express regret for the delay in forwarding you these papers and to explain that it has been due to an attempt to collect information in a more satisfactory form. It has not however been found possible to collate in a convenient and comprehensive manner the various rules and prospectuses issued since 1908.
