Subject. Expenditure on feeding
pet animals in schools.

Please see note on page 5 of
(a) notes to go. N. 1064 &c., dated the
27th September 1915, in which
it was considered that the ex-
penditure on feeding pet animals
in schools should not be allowed
to increase. In the present
case the charge is only one
rupee a month and it may
be accepted. A draft order
is subd. It may be sent to the
Finl. Dept. for acceptance.

2. The question of delegating
to ^{subordinate officers} ~~the~~ the power to sanction
such charges was considered

(5) in go. N. 494 &c., dated the 29th
May 1913. The Finl. Dept. then
noted that the general question
of delegation was under cor-
respondence ^{between} ~~with~~ the Govt of
India & the Secs of State and that
no delegation could be made in anti-
cipation of the decision of the general question

That Dept^y may, it is sub^d,
be now requested to consider
whether the delegation in respect
of charges as in the present
case, can be made ^{under} under
the recent Resolution issued
by the Govt of India.

For the A.S.

Please see rule IV-4 and the note
thereunder in the annexure to the Govt. of India,
Fin: Dept. Resoln. No. 352 E.A., d. 25-7-17, as
regards the delegation to authorities subordinate
to a Local Govt. of power to incur contingent
charges. The note specifically states that the
local Govt. ~~may~~ may treat the pay of sweepers
and other menials as recurring contingent charges
and delegate the power to incur such charges to
authorities subordinate to the Local Govt. The
inference is that in other cases of recurring
contingent charges there can be ^{no} delegation. If
so the case in point viz. of expenditure on the
feeding of pet animals in a school, a delegation
is not allowable. Perhaps the A.G. may be able
to advise.

[M.O. note received &
revised note submitted
as directed by H.S.]

For A.S.

It is submitted that it seems permissible for the Local Govt. under rule 5 of the annexure to the G.O. of I's Resolution, to delegate powers in the matter of incurring recurring charges relating to the feeding of pet animals in educational institutions.

With reference to the instructions conveyed by the Govt. of India in paras 8 & 9 of their resolution it would appear to be sufficient to vest the power in the D.P.I.

who is an officer of high standing and may be trusted to exercise the power with due caution.

As regards the conditions subject to which the power should be exercised, attention is directed to Mr. Todhunter's d.o. to the D.P.I. on p. 5 of notes to G.O. 1064 Dins of 27.9.15. ~~It~~ ^{It} shows that while H.E. the Government was not prepared to interfere with the existing arrangements relating to pet animals in schools, he regarded the system ^{being very much} as open to abuse and that the question of putting a stop to the arrangements would have to be considered if the expenditure increased further.

This aspect of the question has been already communicated to the D. P. I. semi-officially; and in delegating powers now to the D. P. I., it may be suggested to the Home Dept.

(a) that the charges for a single institution should in no case exceed Rs 3 p.m. - the expenditure sanctioned in the past has varied from 8H. to Rs 3 p.m.

(b) that the importance of keeping this expe. as low as possible should be impressed on the Edl. officers, and to this end an annual limit for the total expe. in the Edl. Dept. on feeding charges of pet animals may also be imposed. It may be left to the Home Dept. to settle this limit in consultation with the D. P. I.

P.I. may be asked to consider what this limit should be. We shall have to name it in the delegative orders. The draft may be amplified.
