R.E. No. 6254/17

Station Madras, Dated the 26th September 1917

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

With reference to G.O.No.964, Home (Education), dated 24-7-17, I have the honour to state that I do not consider that any immediate action on the Government of India's recommendations is called for. Most of the important educational periodicals are now supplied under the sanction of Government to the Colleges and Schools under the control of this department and they are for the most part journals recommended by the heads of institutions themselves. But in view of the recent orders of Government to limit expenditure on periodicals to what is imperatively necessary, I propose, during the war, to confine an increase in such distribution to

special cases. I may also mention here that grants-in-aid of the purchase of non-Indian periodicals are freely made under the provisions of the Grants-in-Aid Code to institutions under private management.

2. As regards the preparation of Educational bulletins, I have at present no suggestions to make.

I have the honour to be,

Sir,

Your most obedient servant,

G. B. K. K. K.

For Director of Public Instruction.
