To

The Secretary to Government,
Home Department, (Education)
M a d r a s.

Sir,

I beg to bring the following few lines to your kind consideration and favourable disposal.

I act as Accountant to Messrs. T. Stanes & Co. Ltd., on a salary of Rs. ^{180/-}~~150/-~~ with an allowance for house rent. I am granted a certificate to audit the accounts of companies in English and Tamil under the Indian Companies Act 1913. I hold a Diploma of the London Association of Accountants for passing their Final Examination. I have passed the Senior Examination of the London Chamber of Commerce and hold Senior Commercial Education Certificate in Book-keeping and Accountancy, Banking and Currency, Commercial and Industrial Law, Methods and Machinery of Business, Company Law, and Political Economy. I have also passed the Government Technical Examinations in Book-keeping, Advanced grade; Theory and Practice of Commerce, Advanced grade; Banking, Intermediate grade, and a number of subjects in Drawing, Civil and Mechanical Engineering.

Some years back I appeared for the Matriculation examination but failed owing to illness at the time of examination; I did not appear for it again as the Regulations of the Madras University

WJS

University did not allow Private candidates.

Now I am desirous of appearing for the Special Test Examinations in Civil Judicial Test and Account Test as they cover the subjects that will help an Auditor and a Business man to carry on his work efficiently. As I have not passed the prescribed General Education Test I cannot appear for these examinations, but on referring to the Special Test and Public Service Notifications I find under article 1 sub-section (11) of the Public Service Notification that "Natives of India who have not attended any Secondary School will be ^(x)eligible if they satisfy the Government that they have received an education at least up to the standard of the late Upper Secondary Examination or the Matriculation Examination. May I request you therefore to be so kind as to grant me permission to appear for the Civil Judicial Test and the Account Test.

(2) This has reference to admission
to Public Service & not to
Special Tests
C. R. R.

I beg to remain,

Sir,

Your most obedient servant,

Subject. Permission to appear for Special test exams.

The Special test exams: are intended to test the fitness of candidates for the discharge of the special duties appertaining to the General office in Govt. Service. In this case the petitioner is not in Govt. employ but states that a pass in the account and the civil judicial tests will be of use in the efficient discharge of his work as a public accountant and auditor. It is doubtful whether Govt. will be prepared to grant the permission asked for since such permission is usually granted only to persons in Service who are recommended by heads of depts: as deserving of the concession.

2 It may also be noted that the word "eligible" occurring in art. 1(ii) of the Public Service Notif.ⁿ quoted on page 2 of the aforesaid is used with reference to
