Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 22nd December 1916.

No.—Ref. on Cur. 2935 of 1912.

A grant of Rs. 99,000 was sanctioned in G.O. No. 687, Educational, dated 26th July 1913, towards the cost of construction of a hostel with subsidiary buildings for the Pachaiyappa's College at Chetput. *The grant was also paid in advance.* The authorities of the college subsequently proposed to add a second floor to the main hostel building and submitted revised plans and estimates for approval. These were approved in G.O. Mis. No. 375, Educational, dated 8th April 1915. But no additional grant was then sanctioned on account of the extra cost involved by this addition. The work is in progress and the college authorities request that additional grant may be sanctioned. According to the Chief Engineer's note No. 2429 C, dated 26th March 1915, appended to G.O. Mis. No. 375, Educational, dated 8th April 1915, the additional cost on account of the second floor comes to Rs. 87,500. I have the honour therefore to recommend that an additional grant of half this amount, viz., Rs. 43,750 may be sanctioned.

2. It seems to me desirable to pay this additional grant also *in advance* so as to enable the management to complete the work. But as no amount will be available from the current year's allotment under "Hostel grants" for paying off this amount, I request that, in addition to the extra allotment of Rs. 39,000 applied for in my letter R.C. No. 9661 of 1914, dated 22nd December 1916, on behalf of the Madras Christian College, another sum of Rs. 44,000 may be provided under "Hostel grants" for the Pachaiyappa's hostel and that I may be permitted to pay it in advance.

Order—No. 130, Home (Education), dated the 5th February 1917.

The maximum amount of the grant sanctioned in G.O. No. 687, Educational, dated the 26th July 1913, towards the cost of construction of a hostel with subsidiary buildings for the Pachaiyappa's College, Madras, will be raised from Rs. 99,000 to Rs. 1,42,750, subject to the following conditions :—

(i) that, in carrying out the work, the suggestions of the Chief Engineer in his note No. 2429 C, dated the 26th March 1915, are adopted and

(ii) that all the conditions prescribed in the Grant-in-aid Code have been complied with.

2. The Director of Public Instruction is authorised, as a special case, to pay *in advance* to the authorities of the Pachaiyappa's College the additional grant of Rs. 43,750 now sanctioned.

3. Further orders will issue in the Financial Department in regard to the additional allotment of funds required to meet the above expenditure.

To—the Hon'ble Diwan Bahadur P. RAJAGOPALA ACHARIYAR Avargal, C.I.E., Secretary to Government, Home (Education) Department.

Dated—Madras, the 22nd December 1916.

No.—251.

Will you please give special attention to my Nos. R.C. 9661/1914 of 22nd December 1916, R.C. 2935/1912 of 22nd December 1916, R.C. 7465/1914 of 21st December 1916 (addressed to Government, Local and Municipal) and C. 10462 of 1916 of 21st December 1916.

2. These letters have been written as the result of an interview I had with Sir Alexander Cardew in which he gave me to understand that Government could consider such applications.

In G.O. No. 687, Educational, dated the 26th July 1913, a grant of Rs. 99,000 was sanctioned towards the cost of constructing a hostel for the Pachaiyappa's College. The Director of Public Instruction having recommended that the institution was among others under reliable management, the payment of the above sum *in advance* was sanctioned in G.O. No. 89, Educational, dated the 20th January 1914. In this connection attention is solicited to the notes on page 3 of that Government Order in which Mr. Francis, the then Educational Secretary, observed :—

"There is no risk involved and it is advisable to get the money spent. Hostel proposals proceed very slowly as plans take so long to prepare and check by Public Works Department."

2. Subsequently in G.O. No. 375, Educational, dated the 8th April 1915, plans and estimates for the main building of the Pachaiyappa's College hostel as altered by the Chief Engineer were approved. The estimate as altered amounted to Rupees 2,85,500 as against the original sanctioned estimate of Rs. 1,98,000. In the notes

on page 15 of the Government Order it was then pointed out that it might be necessary to raise the sanctioned half grant from Rs. 99,000 to Rs. 1,42,750 if the management subsequently applied for it, and that as no application for additional grant had been made, it was sufficient then to approve the revised estimate for the main building. As recommended by the Director of Public Instruction, an additional half grant of Rs. 43,750 may therefore be sanctioned towards the cost of constructing the hostel.

3. As the Pachaiyappa's College is a reliable institution and as hostel schemes are urgent—vide Sir Harold Stuart's note on page 5 of the notes to G.O. No. 1443, Educational, dated the 20th December 1915,—the Director's proposal that he may be permitted to make payment of the grant *in advance* may also be approved.

4. The file may be sent to the Financial Department for remarks in regard to the request of the Director for an additional allotment of Rs. 44,000 under "Hostel grants" in the current year. Attention is solicited to paragraph 2 of the Director's demi-official No. 251, dated the 22nd December 1916.

S.N.P.—8-1-17.

T.K.—10-1-17.

A similar communication on behalf of the Christian College is separately submitted. Two factors contributed to the sanctioning of the grant in advance on the last occasion, viz.:—

(i) the availability of funds (Imperial) with the consequent anxiety to utilize them full within a definite period, and

(ii) the absence of risk in making the grant in advance to the particular institution mentioned, page 2 of G.O. No. 89, Educational, dated the 20th January 1914.

The latter still applies in the cases now before Government (Pachaiyappa's College, Rs. 44,000 and Christian College, Rs. 75,000). As regards the former, except the sum of Rs. 36,000 now remaining out of the allotment for hostels, no funds are available. It is for Financial to say whether they can spare the funds asked (Rs. 83,000). If they can, Educational need not object to the grants proposed being paid in advance.

FINANCIAL DEPARTMENT.

It is proposed to pay in advance the following grants for hostels:—

(1) *Hostel for the Pachaiyappa's College at Chetput* (further grant of Rupees 43,750):—

In G.O. No. 687, Educational, dated 26th July 1913, a grant of Rs. 99,000 (representing one-half of the estimated cost of Rs. 1,93,000) was sanctioned (the amount was paid in 1914—vide G.O. No. 89, Educational, dated 20th January 1914). The estimated cost was subsequently raised by Rs. 87,500 to Rs. 2,85,500 on account of the proposal made by the management that the main building should consist of three storeys instead of two storeys. Please see endorsement of the Director of Public Instruction, dated 20th June 1914, on page 4 of G.O. No. 375, Educational, dated 8th April 1915. The permission to carry out the work according to the revised estimate was granted without prejudice to the question of any subsequent grant.

The Director of Public Instruction now recommends that one-half of the excess (Rs. 43,750) may be paid.

(2) *Hostel for the Madras Christian College*.—Grant sanctioned in G.O. No. 1016, Home (Education), dated 25th September 1916 (but not yet paid) Rs. 75,000.

2. According to rule 53 of the Grant-in-Aid Code, the grants for buildings are payable only after the work has been completed. The Director of Public Instruction recommends that the grants in the above two cases should be paid in advance. Please see G.Os. No. 147, Educational, dated 17th February 1913, and 89, Educational, dated 20th January 1914, in which the Government authorized the Director of Public Instruction to sanction advance payments in such cases. This sanction was accorded as a special case.

If the proposal to sanction advance payments is accepted—please see paragraph 2 of demi-official from the Director of Public Instruction, dated 22nd December 1916—the total amount required for payment in the current year is (Rs. 43,750 + Rs. 75,000 or) Rs. 1,19,000 in round figures. Against this, the Director of Public Instruction states that a sum of Rs. 36,000 is available out of the current year's budget provision of 96 lakh for hostels. The balance, viz., Rs. 83,000 will have to be sanctioned as an additional allotment from the reserve at the disposal of Financial.

3. Submitted that the proposal may be accepted. For orders.

In the notes on page 15 of the Government Order it was then pointed out that it might be necessary to raise the sanctioned half grant from Rs. 99,000 to Rs. 1,42,750 if the management subsequently applied for it, and that as no application for additional grant had been made, it was sufficient then to approve the revised estimate for the main building. As recommended by the Director of Public Instruction, an additional half grant of Rs. 43,750 may therefore be sanctioned towards the cost of constructing the hostel.
