Letter—from the Hon'ble Mr. H. SHARP, C.S.I., C.I.E., Officiating Secretary to the Government of India, Department of Education (Education).

To—the Secretary to the Government of Madras, Home (Education) Department.

Dated—Simla, the 2nd October 1917.

No.—846.

I am directed to invite attention to the Secretary of State's despatch No. 186, Public, dated the 1st December 1916, a copy of which was forwarded with this department endorsement No. 78, dated the 18th January 1917, and to request that, with the permission of the Governor in Council, the amendments necessitated by the abolition of the post of Secretary for Indian students, and the substitution for it of that of Educational Adviser to the Secretary of State for India, may be made in all copies of Appendices IV, VI and VII to this department resolution No. 399, dated the 1st May 1916, regarding the various Government of India scholarships, which are with the local Government. In this connexion I am to invite attention to the copy of revised rules for Sanskrit and Arabic scholars which accompanied this department endorsement No. 460, dated the 26th May 1917.

2. As some difficulty has been experienced by the authorities in England through insufficient attention having been paid by State scholars to the scholarship rules, I am also to request that in future the special attention of all such scholars may be drawn to rule VI of Appendix II to the resolution specified above, that steps may be taken to ensure that the necessary deposits for initial expenditure are despatched to the Educational Adviser for Indian students in all cases before the scholars leave this country and, finally, that it may be made clear to such scholars as may have to study at Oxford or Cambridge that the higher scholarship of £250 a year is granted only to those scholars who are admitted to the above universities as collegiate students.

Order—No. 1308, Home (Education), dated 22nd October 1917.

Communicated to the Director of Public Instruction, the Syndicate of the University of Madras, the Officer in charge of the Department of Industries, the Surgeon-General with the Government of Madras and the Secretary to the Students' Advisory Committee, Madras, for information and guidance with special reference to paragraph 2 of the Government of India's letter.
