[Despatch Abstract.]

Petition.

stating with reference to a ——— from one Surabhy Chinn
venkayya that the Government are not satisfied of the necessity
for granting general permission to middle school first class men
to appear for special tests and that he should address the Govern-
ment through the official channel if he desires to apply for any
of the special tests.

To

The Secretary to the Government
Educational Department
Madras.

Most Honoured Sir,

I, Surabhy China Venkayya of Vizagapatam,
most humbly beg to submit as follows:---

I am now the Head Clerk of the District Munsif's Court, Vizagapatam on Rs 50/-per mensem. I have passed the late Middle School Examination in the 1st class and the following Special Tests within the period allowed by the Government for Middle School 1st class men to appear for special Tests.

Special Tests passed:

- (1) Translation Test (Lower)
- (2) Precis-writing Test in the 1st class (3rd in rank in the Madras Presidency)
- (3) Criminal Judicial Test (Lower)
- (4) Civil Judicial Test.

2. In the Fort St. George Gazette dated 13-3-1917 at page 365, under the question No.172 put in a meeting of the Council of the Governor of Fort St. George assembled on 6-2-1917 regarding the advisability of amending the rules relating to the Educational qualifications for admission to the public service by including in the list of persons eligible to appear for the Special Tests, those who have passed the Middle School Examination in the 1st class, who enjoyed equal privileges with Matriculates for a long time, the Government have been pleased to promise to consider the suggestion. Subsequently, in G.O. Bated 6-8-17, No.1021 Educational, the Government have been pleased to grant liberal concession to all Government servants possessing even the Minimum general educational qualification by allowing them to appear for all the Special Tests. As the late Middle School Examination in the 1st class was in the beginning declared by the Government to be equivalent to the Matriculation Examination

together with handwriting Test, it seems that the concession now granted under the abovesaid G.O. extends also to Middle School 1st class men already employed in the Superior Grade of the Public service, like myself.

3. Under all the abovesaid circumstances, I humbly pray your honour will be pleased to take my hard case to your honour's kind consideration and to clearly include in the list of persons eligible to appear for the special Tests the Middle School 1st class men in the Superior Grade of the Public service who enjoyed equal privileges with Matriculates for a long time.

For which act of kindness and mercy, I shall, as in duty bound ever pray.

I beg to remain,

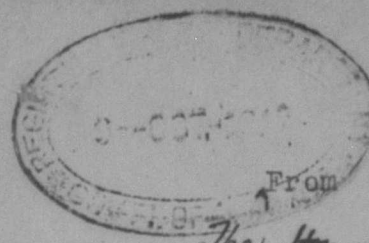

Most Honoured Sir,

Vizagapatam.

21st September 1917.

Your honour's most obedient servant,

S. S. S. S. S.

From
The Honourable. Suryanarayana Pantulu Garu,
District Court Pleader and

Member of the Legislative Council of
MADRAS, Vizagapatam.

To

The Secretary to the Government,
Educational Department,
MADRAS.

Sir,

With reference to G.O.No.1021, dated 6th August 1917, I have the honour to bring to your notice that I interpellated in Legislative Council meeting held on 6-2-1917 (vide Fort Saint George Gazette dated 13-3-1917 at page 365, question No.172) to consider the advisability of including in the list of persons eligible to appear for Special Test Examinations old Middle School 1st class men in superior Government service and a hopeful reply was given thereto, and I now request you to be so good as to include them also in the list of those eligible to appear for such Examinations as they are in no way inferior to School Final candidates. As the Government have since been pleased to allow all Government servants possessing even the minimum general educational qualification to appear for all the Special Tests, there is no special reason why the claims of Middle School 1st class men in Government service should be ignored when they enjoyed equal privileges with Matriculates for a long time and when some of them are still in service.

I have the honour to be,

Sir,

Your most obedient servant,

S. S. S. S. S.

Subject:- Eligibility of middle-school
first class men to appear for special tests

Attention is solicited to the
question on the subject asked at the
meeting of the Legislative Council held
on the 6th Feb. 1917, the notes prepared on
that occasion and the answer to the
question recorded in L.C. No. 229 Ed. 2, d/
the 22nd Feb. 1917. The point was also
raised when the general question of
throwing open the special tests to
holders of Secondary School-leaving
certificates was considered and disposed
of, but not decided.

2 The matter has again been
brought to the notice of Govt. now.
If it is definitely decided to allow
~~middle~~ middle school first class ^(men)
to appear for all the special tests
orders may issue to that effect along
with the other points regarding simplification
of special tests to which are now under

I am not prepared to pass
 General orders permitting all Middle
 School (1st class) to appear for
 Special tests. They have had their
 chances & should have availed themselves
 of the same. After all such cases of
 men yet in service and inclined
 to face examinations should be
 few. I would therefore dispose of
 such cases, each on its own merits.
