(Designation) Director of Public Instruction,  
MADRAS.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

I have the honour to state that the Resident in Mysore and Secretary to the Chief Commissioner, Coorg, has approved of my proposals to delegate to me and the Inspector of Schools, IX Circle, certain powers, but the issue of formal Proceedings conveying the sanction is held over until the concurrence of the Government of Madras is obtained thereto. The delegations so approved will be found in the copy of the draft Proceedings enclosed to the letter of the First Assistant to the Resident in Mysore and Secretary to the Chief Commissioner, Coorg, a copy of which is submitted herewith. The main object of the

delegation

delegation is to avoid making frequent references to the Resident and Chief Commissioner or the Director of Public Instruction as the case may be on purely routine matters.. I therefore beg to request that you will be so good as to obtain the sanction of the Government for the proposals referred to above.

I have the honour to be,

Sir,

Your most obedient servant,

CN. 2931 A. From the D.P.I., R.E. 995

dated the 17<sup>th</sup> Sept 1912

Subject. Delegation of powers to the Inspector of Schools, IX Circle.

The powers proposed to be delegated to the D.P.I. by the Resident in Mysore in respect of schools in Bangalore & Coorg are already exercised by him in this Presidency. As regards item 10 in the list of delegations to the Director, viz, to incur expenditure in connection with the conduct of the European School examinations in Bangalore, it is submitted that there is a Board in this Presidency to conduct such examinations. The expenditure incurred in connection therewith is controlled by the D.P.I. Subject to <sup>General</sup> orders issued by the Govt. There is no objection to the Director exercising these

these powers in Bangalore.  
2. The Resident also proposes to authorise the D.P. to pay every year the compensation to the University for the loss of income to that body on account of the institution of the S.S.D.C. examination.  
~~Disbursement of expenditure~~ In this Presidency ~~where~~ the amount of compensation has been fixed by the Govt + the A.G. pays it to the University. In the case of Bangalore also a limit to the expenditure on this item has been fixed by the Govt of India + there is no objection to the D.P. authorizing payment subject to that limit.  
3. As regards the delegation of powers to the Inspector of Schools, K. circle, it is submitted that the power to sanction maternity leave (item 1 in the list) has not yet been delegated by this Govt to subordinate officers. The Resident

proposes to delegate it to the Inspector. It does not appear that there is any objection to the delegation. It is possible that the power may soon or later be delegated to the Presidency also.

4. With reference to item in the list of delegations to the Inspector viz., power to sanction stipends, it is stated in the letter of the first assistant to the Resident that the A.G. has objected to such delegation. It is submitted that another objection was raised by him in respect of the similar power exercised by inspectors in this Presidency. He has, however, since withdrawn his objection. The proposed delegation may therefore be accepted.

5. The only other item that calls for notice is the proposal to delegate to the Inspector the power to countersign the travelling allowance bills.
