Copy of letter from the Superintendent, Technical Institute,
Madras No.R.O.C.38 dated 19th September 1917 to the Director of Industries,
Madras.

10011 I have the honour to request you will kindly sanction the
purchase of a cycle for the Institute at a cost not exceeding Rs.165/- The
necessity for this is greatly felt, as treasury transactions require that
the pecuniary first go to the Collector's office at Tallakulam which opens at
11 A.M. get the bills, or chalangas registered then checked and return to the
Bank near the Railway Station before 3 P.M. It has often happened that the
pecuniary has been unable to reach the Bank before 3 P.M. with the result that
the bills could not be cashed the same day or that cash sent for being
paid in had to be brought back and sent the following day.

The need of a cycle messenger to carry letters, bring in the
post from the Post office post letters and take telegram and bring anything
required from the bazaars urgently is also much felt. Often I have found
it necessary to send a messenger on my own machine to save delay. I have
put the cost as not to exceed Rs.165/- Railway freight from Madras included;
if sanctioned I could select a suitable machine at the lowest cost possible,
when I visit Madras.

The cost of the machine can be met from my Budget grant of
Rs.500/- Purchase and repairs of furniture.
