Sir,

Mr. Littlehailes, Professor of Mathematics, Presidency College having been required by the Adjutant, Madras Volunteer Guards to proceed for a six weeks' officers' training course at Bangalore, I have the honour with reference to paragraph 2 of G.O.No.903, Public, dated 9th July 1917 to request that you will be so good as to obtain the sanction of Government for the employment of a temporary assistant to do his work on a salary of Rs.125/- per mensem during the period of his absence. Mr. Littlehailes states that it is impossible to carry on the college work satisfactorily during his absence without a substitute

substitute and he suggests that the simplest and the most economical arrangement that can be made will be to appoint to the above post M.R.Ry. *N.N.* Subrahmanyam who is a post graduate student working under him and drawing a University research studentship of Rs.75/- per mensem. Mr. Littlehailles considers that some re-arrangement of the time-table and redistribution of work among the mathematical staff would be necessary if the above proposal is adopted and he is himself prepared before his departure to Bangalore to readjust the work so as to suit the capacity of the new assistant. In these circumstances, the proposal commends itself to me and I am asking the Madras University to obtain the sanction of the Syndicate to the suspension of Subrahmanyam's studentship and to his employment temporarily in the Presidency College.

2. The extra cost involved by the proposal will be about Rs.187/-, and this amount can be met from the anticipated savings under salaries in arts colleges in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

G. V. Subrahmanyam

for Director of Public Instruction.
