3. I beg to submit that, in view of my service of 18 years under Government without anyblemish until the trouble which culminated in the termination of my service, I am entitled to the pension I have ventured to apply for.

Honourable Sir,

(VI) Adverting to the order passed in Go No. 1134
Educational Mis dated 10th October 1915 communicated to me
with proceedings reference on current No. 700 dated 21st Oct 1915
by the Director of Public Instruction, Madras, I most res-
pectfully beg to submit for the generous and sympathetic con-
sideration of the benign Government of India the following
humble representation in regard to my most deplorable and
distressed condition and that of my poor and innocent family.

2. A malicious petition from one of the teachers of
the ~~Salem~~ District submitted by him in collusion with the
Supervisor has unfortunately culminated in my removal from
Government service after a faithful, strenuous and unblemish-
ed service of a long term of 18 years, in spite of my humble
appeals and importunity pointing to the malicious and vindic-
tive nature of the infamous charge against my conduct which
I maintained spotlessly during 40 years of my life.

3. As irony of fate would have it no opportunity was
given me to make my defence or to controvert the charge
against me as provided by Act 37 of 1850 or to adduce res-

3 9

respectable evidence in proof of my unimpeacheable conduct and unsullied character.

4. My antecedents, previous character and respectable connections will be borne out by the copies of my testimonials which are enclosed herewith were not taken to my grave misfortune into consideration in judging against me on a frivolous, unfounded, and stale charge, and the capital punishment of dismissal was eventually passed against me depriving me and my innocent family containing of 10 souls of their means of sustenance of life. Nor was my spotless service in 19 out of 25 Districts of the Presidency during 18 years of faithful service taken into consideration. A large outlay of money, great labour, and mental work, bestowed upon my education and great diligence employed by me to take B. A., Degree with Mathematics and Natural Philosophy as my Optional Subject in which less than half a dozen members of my community have succeeded in this Presidency have all proved fruitless. My education, my faithful service of 18 years, my good antecedents, my spotless career-9 years as a clerk in the Revenue Secretariat and 9 years as a Sub Assistant Inspector of Schools have ended in my ruin. The capital punishment awarded to me has made me ineligible for any appointment in any service under the British Government, Native States or private bodies, and deprived me of the sole means of maintaining myself and my innocent family which has been undergoing unbearable hardships and privations.

5. The Honourable the Director was gracious enough to spare me some means of sustenance on humble representation to him and favoured me in modification of his original order a requisition letter to the Medical Officer to see whether I could not be granted an invalid pension but to my sheer misfortune his act of grace proved fruitless and the Medical Officer said that I was not physically unfit to retire on an invalid pension. Even in spite of it the Director exercised

his deepest mercy towards me and reduced me to a clerk's place on Rs.40/- a month in his office, which, as my ill-luck would have it, I did not, in the blind conviction of my righteousness, take advantage of having regard to the official condemnation and bad feeling towards me but on the contrary on the advise of some of my well-wishers and in view of my dogged persistence in and adherence to my firm conviction in my righteousness I indiscreetly appealed to Government against the order of reduction only to merit the order of dismissal finally passed against me to my utter disappointment and to thus deprive myself and my destitute family consisting of 10 souls of the bare subsistence allowance which the Director had very compassionately spared me.

6. In view of my present distressed condition and in the light of the foregoing reasons, I most respectfully appeal to the merciful and sympathetic feelings of the Government of India and pray that they may be pleased to take special consideration of my faithful service of 18 years and grant me as an act of grace a compassionate allowance or reduced pension as provided by Article 353 of the Civil Service Regulations 1915 Edition based on the despatch from the Right Honourable ^{the} Secretary of ~~the~~ State for India authorising the Government of India to grant compassionate allowances to officers removed from the service for misconduct or inefficiency, which was communicated to the Government of Madras with the letter of the Government of India, Finance Department No.5037-P dated 28th August 1907. (Please see G. O No.459 dated 10th September 1907 Financial of the Government of Madras).

7. For which act of kindness and benevolence I shall as in duty bound ever pray.

I beg to remain

Hon'ble Sir,

Your most obedient & humble servant.

Proceedings of the Director of Public Instruction.

Read the following papers:-

Letter from the Inspector of Schools, Tiruvel, R.C. no. 2698/13 of 18-12-14 Submitting his report on the Complaint against the Sub-Assst Insp of Schools - Tiruvel. Range together with the statements &c. obtained during the Enquiry held by him.

The papers read above relate to the Complaints made against Abdul Radei Salih Quraishi, Sub-Assst Insp of Schools, Tiruvel. Range to the effect that he attempted to commit an unnatural offence on the person of or made immoral proposals to (1) Saigyid Khaderi, Ex- pupil of the H.S. Radei Salih, (2) Sharfuddin, pupil of the H.S. Radei Salih, (3) Abdul Jalil, son of Mr. Imam, teacher, H.S. Radei Salih, Kaveripattanam & (4) Phouse Pooni, pupil of the J. G. Radei Salih, Salem. A careful inquiry into the Complaints was held by Mr. Champion, Inspector of Schools, Tiruvel & the statements of the parties concerned, the depositions of the witnesses cited & the explanation given by the Sub-Assst were also obtained & given.

After a consideration of all the records in the case & having regard to the number of charges of a similar nature, the consistency of the statements of the witnesses, the strong support of the Accused & the futile defence of the Sub-Assst, the Inspector has come to the conclusion that the charges must be taken to have been proved against the Sub-Assst. The Director is unable to do otherwise than accept the opinion of the Inspector in regard to the first three incidents. The fourth incident if it happened & in this case the proof is less direct. The conclusion is a further illustration of the Sub-Assst's lamentable perversion. The defence set up is the usual one in such cases & the Director cannot but agree with the Inspector that it is a futile one. The Director is therefore convinced that the Sub-Assst Inspector has shown moral depravity of such a kind & degree as to make his further retention in any Educational post impossible. Abdul Radei Salih Quraishi is accordingly dismissed from the public service with effect from the date of his handing over charge of his office to the Asst Insp. of Schools, Tiruvel.

2. The Asst Insp of Schools, Tiruvel, is requested to forward the food grant to take charge accordingly without unnecessary delay.
