No. 851

Government of India,
DEPARTMENT OF EDUCATION.
(Education.)

Simla, the 3rd October 1917.

From

The Hon'ble Mr. H. Sharp, C.S.I., C.I.E.,
Offg. Secretary to the Government of India.

The Secretary to the Government of Madras,
Home (Education) Department.

With reference to the correspondence ending with your letter no.2597/16-3, dated the 23rd July 1917, I am directed to state, for the information of the Governor in Council, that the Government of India regret that they are unable to sanction a non-recurring grant sufficient to cover the cost of the buildings and equipment required for the proposed Training College at Ootacamund for male teachers of the domiciled community. I am however to convey their sanction to a non-recurring grant of Rs.25,000 during the current financial year and to say that this grant and the similar grant sanctioned for next year in paragraph 3 below may be utilised on the construction of the necessary buildings. In this connection I am, however, to observe that if, as is assumed will be the case, the scheme for the establishment of the college requires the sanction of the Secretary of State for India, building operations should not be commenced until that sanction has been obtained.

2. I am to add that sum of Rs.25,000 has been added to the grant under the head "22-Education" in the estimates of the Madras Presidency for 1917-18 by a corresponding reduction of the reserve at the disposal of the Department of Education under the head "22-Education" in the current year's India General Budget Estimates, to meet the above expenditure.

3. I am also to convey the sanction of the Government of India to a similar grant during 1918-19 and to a recurring grant of Rs.50,000 a year, with effect from the 1st April 1919, towards the cost of maintaining the proposed college.

This instruction need not be communicated to the Committee as it is entered for this Govt.
