28th September 1917.

J.

The Secretary to the Government,

Educational Department

Madras.

Respected Sir,

I humbly beg to bring the following grievances of a technical student to your gracious consideration and favourable orders:-

I am a candidate, who is qualified technically for a Draftsman's

post, as per G.O. No. 1312 Financial D. 20th November 1914.

I took great pains, both for the preparation and for attending the practical examinations at the various centres to secure a pass in the several Govt. Examinations (Please see separate list attached) and thus obtain the two group certificates viz:-

- (1) Draftsman Group Certificate in Mechanical Drawing
- (2) Group Certificate in Mechanical Drawing.

The success of passing these examinations

is

is not the work of a year or so, but a continued and persevering attempt from the year 1911. (November).

With Considerable patience & hard labour, I attained my goal of obtaining the above mentioned group certificates, under the hope of getting a sub-overseer or Draftsman post in the Public offices; but the fact is that these technical men are refused the above mentioned appointments for the fact that there are not lower Subordinates of the Civil Engineering College Madras.

Therefore, I humbly beg to request you to be so good as to grant me a permanent exemption from the lower Subordinates of the Civil Engineering College (without which there is no hope of success in life) Considering my qualifications

I may also beg to add that a similar exemption from the lower Subordinates of the Civil Engineering College has been granted to a Tech^l student

Student of my stamp from the Ramnad Dist^t (who has undergone the same difficulties as my humble self) by name -

⑤ S. N. Venkatesan in G. O. No. 97 Educational D/ 31-1-16 & also to another by name Rajagopala Iyer from the Madras Dist^t

The various examinations, I have passed with the Date and Page of the Gazette are herewith attached for your kind perusal and early favourable orders.

I beg to remain,

Respected Sir,

Your most obedient servant,

L. Ramaswami Iyer

The applicant has secured a Group Certificate in mechanical drawing and is therefore qualified for employment as a 'draftsman'. He is not however qualified for employment as a "Lower Subordinate". It is true that during the past few years some men who passed technical examinations were granted exemptions from passing the Lower Subordinate test. Early this year ^{hatched} the Principal College of Engineering who was consulted in the matter pointed out that a number of passed lower Subordinates had not secured

and
appointments to that a good number will be
passing out yearly. As it ~~will~~ ^{would} be prejudicial
to their interests to grant such exemptions and
also because passed lower subordinates from
the college are much better qualified than
men who have passed ~~the~~ technical tests,
it was decided that such exemptions should
not be granted for the future, and this
principle is being consistently followed since
then.
Home (Educational) may therefore be
advised ~~requested~~ to decline the applicants' request.
