Sir,

I am directed to refer to this Department letter no. 835 dated the 23rd December 1916 regarding the compilation of a list of scientific periodicals in public libraries in India and to request that the submission of the returns asked for may be expedited.

2. In some cases, lists of periodicals in isolated institutions have reached the Curator, Bureau of Education. As this procedure may lead to confusion, it will be more convenient if all lists are submitted by the institutions to the Local Government and forwarded by the Local Government (together with a list of the institutions addressed, if considered necessary) to the Bureau of Education only when the lists have been received from all institutions.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

With reference to Memoranda Nos p3 supra. 4812-1 and 1000 B-2 dated 10th January and 21st September 1917 respectively, I have the honour to forward a list of scientific periodicals available in the Connemara Public Library (prepared on printed forms obtained from the Bureau of Education). As regards the facilities to be granted to serious inquirers who may desire to consult any periodical available in the Library (vide the last two paragraphs of Appendix A to the Government of India's letter No. 835 dated 23-9-1916), I would suggest that such persons when resident in Madras or in its immediate vicinity may be allowed to borrow periodicals against a cash deposit of Rs 20 as in the case of the Madras University Library. I also see no objection to periodicals being lent for short periods to other Libraries at the option of the Principal Librarian.

The Director appears to have overlooked Memo No. 1000B-1 dated the 21st Sep. 1917, ~~wh~~ with which was communicated India's second letter requesting that the lists submitted by the Various institutions may be collected by the Local Govts and forwarded to the Bureau of Education, after all the lists have been received. The D.P.I.'s attention may be drawn to the above Memo and he may be requested to furnish the Govt with the lists from all the institutions, duplicates being obtained if necessary in the case of those which have been already forwarded to the Bureau of Education. The D.P.I. has already despatched to the Curator, Bureau of Education, the list of Scientific periodicals required in the form prescribed by the Govt of India. But he has now forwarded to this Govt only a list of the names of the periodicals regarding which particulars have been furnished to the Curator, instead of in the prescribed form as required in Memo No. 1000B-3 dated ~~the~~ 11th Oct '17. On enquiry by telephone the Director's Office states that copies of the lists in the prescribed form have not been retained in that office and that if a consolidated list is still considered necessary copies of the statements will have to be called for from the Curator, Bureau of Education and furnished.

It may however be noted that in para 2 of G.O.
