No authority is traceable for the
State: that the Govt. were supplying
Monsieur Julien Vissier with the epigraphical
reports till 1914. There is however no
objection to his being supplied now with
the reports beginning with that for
1914-15 and the inclusion of his name
in the distribution list of future reports.

Dear Mr. Davidson,

M. Julien Vissier, the Professor of Tamil
in the Paris School of Living Oriental Languages,
tells me that Government used to send him
the Annual Reports of the Epigraphist, but
has ceased doing so since 1914; and he
begs that the reports 1915-17 & the future
ones may be sent him as before. If it is
possible, may this be done? I am selfishly
interested, because he has been kind
enough to promise to collate dubious
passages in our transcript of *Aranda Ranga*.

Pillai's Diary with the Coriel Transcript in
 the Bibliothèque Nationale. This will be of
 so much assistance that I hope you will
 see in it good reason for reciprocating
 his courtesy, altogether apart from his
 being one of the very few European scholars
 to whom the reports are of real value.
 I trust you will not consider that I am
 taking it unduly on myself to forward
 & support his request.

Sincerely Yours,

W. Dodwell.
