EDUCATIONAL COMMISSIONER
WITH THE GOVERNMENT OF INDIA

Delhi, the 22nd December 1916.

Dear Sir,

Sir Sankaran Nair tells me that he was much impressed with the education of factory children as carried out at the Buckingham and Carnatic mills. It has occurred to me that it would be a good thing to publish a short description of the system there followed in the form of a pamphlet, issuing from the Bureau of Education. Difficulties are being encountered in various places in the education of factory children and I think it would be of practical value to let other provinces know how these difficulties have been surmounted in Madras.

2. If the Government of Madras have no objection perhaps some officer could in his spare time put together a short sketch such as would cover perhaps 20 or 25 printed pages in the form in which the Occasional Reports are ordinarily issued. The author of the sketch would best be able to judge of the subject matter which should find place in it. The points which naturally occur to me and in which I am mainly interested are the following :-

The general circumstances of the mills.

The method of shifts and meals for children and of inducing them to undergo instruction.

The scope of instruction, the curriculum, the scale of cost and the method of financing.

The accommodation, equipment, etc.

The effect on the children as regards ^{Mental} ~~and~~ and physical exhaustion ~~and~~ ^{on} enhanced power of labour and the effect upon the mills and their output.

If such a publication could be arranged, it would issue under the name of the author. I would add a short general ^{preface} ~~summary~~ which I should let the author see before issuing. The publication would probably be made in the same size ^{as} ~~that~~ the Occasional Reports of the Bureau of Education, but would be got up in a cheaper fashion and bound in paper.

3. The idea of such a report is favourably viewed by the Education Department in the Government of India and I write this letter with the knowledge and approval of that Department.

I am,

Yours sincerely,

The Hon'ble

Diwan Bahadur P. Rajagopala Achariyar Avl, C.I.E.,

It is for consideration whether Mr. Sharp
may be informed that arrangements are being
made for the preparation of a pamphlet
in the manner indicated by him and that
when ready it will be forwarded to him in
manuscript, and whether the D.P.D. may
be requested de facto to arrange for
the work and when the pamphlet is
ready

ready to forward it in manuscript to Mr. Sharp. If so, the following D.Os ^{are} for approval:
