Sir,

I have been in correspondence with Mr. Noehren,
Physical Director, Y.M.C.A., half of whose salary is met by
Government, on the subject of affording him assistance in his
work.

Government are aware of the zeal and energy that
Mr. Noehren brings to his task and of the valuable results he has
already attained and that when in a recent meeting of the Legis-
lative Council the question of enlarging the staff for physical
training was raised I was allowed by Government to say that it
was their intention to do this as funds permitted.

This is clearly not a time to propose the employment of a large establishment but I venture to hope that Government will view with favour the modest proposal I now have the honour to make, viz., the creation of a temporary post for two years of Assistant Physical Director on Rs. 150/- a month.

There would be ample scope for the activities, under Mr. Noehren's direction, of such an officer. He could in particular keep Mr. Noehren's work going in Madras while he was on tour and so make it possible for Mr. Noehren to spread more widely sound ideas on physical training.

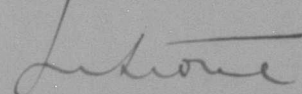

Mr. Noehren suggests that "a first class man who would command respect and whose decisions would be authoritative" should be selected. I agree with him in this view and do not therefore propose to fill the new appointment by promoting any gymnastic instructor now in service nor do I think that any suitable man could be found in this Presidency.

Mr. Herman and Mr. Noehren agree in thinking that a suitable man could be recruited from among the Burghers of Ceylon and if my proposal is sanctioned I intend to ask them to recommend such a man for whom they assure me that the pay suggested would be sufficient.

I have the honour to be,

S i r,

Your most obedient servant,

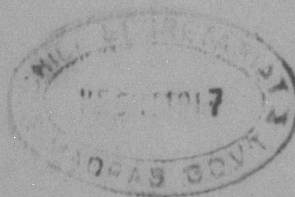

Director of Public Instruction.

M. S. S.

[Subject. Temporary employment of an
Assistant Physical Director on Rs. 150
per mensem for two years.]

Please see the notes on pages 3 to 7 and
the Legislative Council discussions on pages
10 to 14 of G.O. no 318 dated the 8th March 1917.
The present proposal to employ an Assistant
Physical Director for two years on Rs 150 a month
seems moderate and may, it is submitted,
be approved with the concurrence of Financial

For the Asst. Secy.

The Home Dept. propose to sanction
the entertainment of an assistant Physical
Instructor, temporarily for a period of 2 years.
Attention is solicited to the portion marked
K on p- 14 of G.O. 318 of 8-3-17. Financial
need not, in the circumstances stated there,
object to the proposal.

2. As to the rate of pay, the D.P.I. propose

Rs 150 per mensem for the Assistant as is to be "a first class man who would command respect and whose decisions would be authoritative"; and the Home Dept. the pay moderate. It is observed that G.O. 43 Edl. D 15-1-13 Govt. sanctioned a pay of Rs 200 p.m. for a Physical training instructor for European pupils. The pay of this instructor who came from Muroseong was in G.O. 151 Edl. D 9-2- raised to Rs 250. In the present case it is stated that no suitable man could be found in this presidency and it appears to be the intention to get a man from Beylon. The pay proposed (viz) Rs 150 p.m. ^(and may, it is intended, be accepted) does not appear to be excessive. If the proposal is agreed to, the D.P.J. will be asked ^{to submit} the necessary reappropriated statements to meet the extra expenditure during the current year.
