Education Department.
Zoological Survey.

SIR,

I am directed to say that the Government of India have under consideration the preparation of a standing distribution list for the publications of the Zoological Survey Department which have now been taken over by Government. The publications consist of :—

1. Records of the Indian Museum.
2. Memoirs of the Indian Museum.
3. Annual report of the Director, Zoological Survey of India.

2. The Government of India are of opinion that as these publications will necessarily be of a technical nature, they are not likely to appeal to the general public and can only be appreciated in colleges which have courses of Zoology and Biology or such other Scientific Institutions and Departments.

I am accordingly to request that with the permission of the Governor in Council the Government of India may be furnished at an early date, with a list of the Institutions, etc., which in your opinion should be supplied with these publications.

I have the honour to be,

SIR,

Your most obedient servant,

H. Sharp

Officiating Secretary to the Government of India.
