Through the Accountant-General, Madras.
Sir,

With reference to Government memorandum No. 1506 A-3 dated 23-4-17, the Inspectress of Girls' Schools, Northern Circle, proposes the institution of a course of lectures on first aid, Hygiene and Home-nursing in the Queen Mary High School, Vizagapatam, in the Training School for mistresses, Rajahmundry and in the Government Training School for Muhammadan mistresses at Guntur. It is stated that no lady practitioners are at present able to undertake the delivery of the lectures at Vizagapatam and Rajahmundry but that the District Medical and Sanitary Officer, Vizagapatam and the Civil Surgeon, Rajahmundry

3
Rajahmundry have undertaken to arrange for the delivery of the lectures by one of their assistants. The Inspectress adds that Dr. Eleanor Wolf and Miss P. Paru, Physicians in charge of the A.E.L.M. Women Hospital, Guntur, have consented to deliver for the benefit of the students of the Government Training School for Muhammadan mistresses, Guntur, the lectures in English which the Headmistress will be required to translate in Hindustani to the students there and then. It is proposed that the course should extend over 15 lectures and that the lecturer should in each case be paid a remuneration of Rs.75/- at the rate of Rs.5/- per lecture. The proposal commends itself to me and I have the honour to request that Government may be pleased to accord their sanction to the institution of a course of lectures in the three schools mentioned above and to the payment of a remuneration not exceeding Rs.75 to the lecturer in each case.

2. The charge amounting to Rs.225 can be met from the anticipated savings out of the lump provision of Rs.10,000 provided for the opening of Training Schools for mistresses in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,
