Mauteville,

7th October 1917.

My dear Diwan Bahadur,

Please see G. O. No. 1244 Home Department,
dated 28th September 1917.

I had a conversation with the Hon'ble Sir A.G. Cardew on this subject and it was as the result of this that I wrote my letter R.C. No. 6840 of 1917, dated 15th September 1917. I think I am justified in saying that the Honourable Member thought that the matter at least deserved further consideration and that he was even inclined to think that my recommendation might be accepted.

Yours sincerely,

The D.P.'s proposal is certainly reasonable and I am strongly for the same. But I cannot furnish the certificate demanded by Financial on a previous occasion - that immediate action is imperatively necessary.

Mr. Stone is unable to bring forward any new facts with his letter at page 1 of G. O. 1244 of 28-9-17 - and the Hon Sec. Lang is unable to certify that the matter is one of immediate and imperative necessity.

In the circumstances Financial must, I think, adhere to its original opinion.

Mr Stone impressed on me that it is a cause of inefficiency that the 2 Clerks in these 11 offices should both be on Rs. 20 pm, whereas the 2 Clerks in the other 12 offices are on Rs. 20 + 30 respectively. The work to be done being the same, the inequality in remuneration causes discontent & bad work, & it is of some importance to remedy the position. His D.D. d. 10.10.17 was not very well.

The sum involved is small, & I am ready to accept
