No. 4635

Station BEZWADA, Dated the 7th October 1917. 1917

From (Name) J. B. LUTMAN, Esquire,

(Designation) Superintending Engineer, II Circle.

To The Chief Engineer, P.W.D.

Sir,

With reference to G.O., No. 1021-Home Department, (Education) dated 6-8-1917, communicated with your Memo No. 6134-C., dated 1-10-1917, I have the honour to request you will be good enough to let me know what is meant by "a completed secondary school leaving certificate or its equivalent".

2. There must, it seems to me, be some definite qualification: a person may have a school leaving certificate and yet be hopelessly deficient. To guard against this, I have ordered that only candidates who have obtained 40 per cent in English and 35 per cent in other subjects, with good hand-writing, irrespective of Presidency averages or

marks moderated should be employed.

3. I request you will be good enough to inform me if the practice in vogue in this circle may continue or kindly let me know the number of marks a candidate should get in the subjects prescribed for secondary school leaving certificate to be eligible for appointments on Rs.20 and upwards.

True Copy forwarded.

(By order.)

is expected of candidates possessing

came up before the annual

the notes of the Sub-Committee

it is within the discretion of

The draft order may be accepted
in this Dept and the file returned to Home
(Abduction) w.o. It will be seen that para

2 of the order leaves it to the discretion
of the appointing authority to prescribe
any minimum he may consider necessary
in selecting candidates. It is evidently
unpracticable to prescribe a uniform minimum
for all circles. On receipt of the order, it may
be communicated to ^{all} offices of the P.D.

be requested to ^{communicate} ~~send~~ a copy of these orders
