ENCLOSURES :

(By order of His Excellency the Governor.)

K. M. N.

Private Secretary.

Ootacamund,

The 28th Sept. 1917.

To

His Excellency Lord Pentland
of Lyth, P. C., G. C. I. C.,
Governor of Madras.

My Lord,

The humble petitioner bringeth the following few lines to your Excellency's kind consideration for favorable orders.

2 Teachers, who hold trained teachers' certificate of a lower grade, are granted certificates of a higher grade, if they pass higher literary examinations, according to the Madras Educational Rules. Certificates are also granted in many cases. But this concession is withheld in the case of teachers who pass S. S. L. C. (Special Examination).

3. The Secondary grade certificate is granted to teachers, who pass S. S. L. C. Examination, but not to S. S. L. C. (Special Examination).

The S. S. L. C. (Special) is more difficult than the S. S. L. C.; in the former, 4 optionals in Group C should be taken, 40 per cent in English, 35 per cent in Elementary Mathematics, and 30 per cent in other subjects are the minimum marks fixed.

fixed for a pass, and in the latter, only 2 optionals in Group C are to be taken and no percentage is fixed, much less, ^{enough} if one completes the Secondary course.

4. Besides, almost all S.S.L.C. (Special) candidates, would have put in not less than 8 years' service as teachers, either in Training Schools (Public or Private) or Secondary Schools, where they would have received practical training both in Organization and Discipline, while they learn the same in theory in Secondary Training Schools.

Under the above circumstances, the humble petitioner prays that S.S.L.C. Special candidates may be granted Secondary training certificate without further training.

I beg to remain,
My Lord,

your most humble and obedient
Servant.

B. Joseph.

To,

The Secretary to the Government

Madras.

The humble petition presented by
Mr. Vaidynatha aiyer, Teacher,
Kalyanasundaram High School,
Tanjore.

Most honoured Sir,

In enclosing a copy of
letter from the Inspector of European and
Training schools, Madras which has been
sent to me under orders of the Director of
Public Instruction, Madras, in reply to my
application dated 18th August 1917 and with
reference to the notification in the First Saint
Gazette on page 681 dated 25-9-17, regarding
the non-eligibility for awarding higher Grade
teachers' certificate without undergoing
further fresh training to those trained men
who pass the Special Examination under the
S. S. L. C. Scheme for the benefit of teachers
I humbly beg to bring the following few
lines to your honour's kind consideration
and for favour of orders.

I beg to state that on 18th August 1917, I sent
an application to the Inspector of schools,
vi Circle through the Headmaster, Kalyana
Sundaram High School, Tanjore, requesting
him to grant me a Secondary Grade
Teachers' certificate for which I am
entitled under Section 4 of article 140

of the Madras Educational Rules, stating the following reasons for the eligibility to get a higher grade Teachers' Certificate without fresh training a second time:-

- i). As I have passed the Special Examination under the S.S.L.C Scheme for the benefit of Teachers in the year 1917.
- ii. As I have been trained under new regulations and as I hold a I class Trained Teachers' Certificate of the Elementary Grade
- iii. As I have put in a service of over 7 years in the Kalyana-Sundaram High School, Tanjore.
- iv. As I have won many appreciative remarks of my work both by the Inspectors who paid visits to the School and by the Superintending Headmasters of the Kalyana-Sundaram High School, Tanjore.

3. The Present Headmaster M. R. R. S. Sri Ranga Chariar B.A. in forwarding my paper to the Inspector of Schools VI Circle Tanjore, was pleased to make the following remarks on my paper

'Forwarded to the Inspector of Schools VI Circle for favourable consideration. Mr M. Vaidyanatha Chariar is a good teacher. His teaching

is methodical and impressive.'

4. The Inspector of Schools, VI circle, Tanjore, in forwarding my paper to the Inspector of European and Training Schools, Madras, has made some remarks which, I think, will run as follows and which may be seen in his endorsement N. R. C. No 1193 T/17 dated 24th August 1917

'A Secondary Grade Teachers' Certificate may be given to the teacher as he passes the Special Examination for teachers.'

5. Till to day I was in a full hope that I would get a Secondary Grade Teachers' Certificate without further training. But my paper has been returned with the remark that I should undergo fresh training once more. Now I beg leave to approach your honour with certain points and I request your honour to grant me a Secondary Teachers' Certificate without training according to article 140 of the Madras Educational Rules.

6. I humbly beg to state that this Special Examination under the S.S.L.C. Scheme has been introduced to better the prospects of poor teachers who are suffering much under low pay. Some teachers applying for this examination are trained men and some are raw untrained men. The trained men who pass this Special Examination know methods and they can teach well as they have undergone training once.

Here I respectfully beg to point out that training in a normal school is indispensably necessary for the designation of a teacher and he has undergone training in a government training school. So I beg leave to note that it will be a great hardship and injustice on the part of the department, to compel to those trained men who pass the Special Examination, to undergo training a second time in their ripe old age leaving their family and sons in utter misery and starvation, although article under section 140 of the Madras Educational rules gives room to issue a higher grade teachers' certificate without further training if they pass a higher literary examination.

7. Some will think that the Special Examination is not literary examination. I beg to state that text books are prescribed to this examination and they have to read a certain prescribed portion according to a certain syllabus approved by the department. They remit certain fees, too, for the examination. This is more or less equal to the School final Examination. It goes by the name

of the Special Examination only because that it is intended specially for teachers. I, therefore, beg to be enlightened as to what examination the rule 140, is applicable.

8. Others may say that, as the holders of Elementary Grade Teachers' Certificate are not permitted to teach and to handle classes in a Secondary school or a high school as per present educational rules and as, therefore they are ignorant of methods and syllabuses of studies that are employed in a high school where the syllabus of studies and methods are quite different from those of Elementary school, further fresh training is necessary. I beg to state that some teachers, nay, many in the Madras Presidency holding Elementary grade teachers' Certificate, serve in high schools and whose work and up to date methods are spoken highly of both by the Inspectors who paid visits to the school and by the Superintending headmasters - able and efficient B.A.T.'s - who daily supervise their work, check their notes of lessons, give many model lessons in their class rooms and put them in the way. Here I beg to know whether this one is not a proper practical

training. Here I humbly beg to state that, as I belong to this above sect, it is improper to urge me - a trained teacher in a Secondary School who passes the Special Examination - the necessity of undergoing training second time. I beg to add that a fresh training to these trained men is an additional cost and a loss stipend to the government during this time of war. Here I beg to point out that the department is even now issuing Trained teachers Technical Teachers' Certificate if a trained teacher passes a Technical Examination without being trained separately for that subject.

Under these circumstances, I humbly request your honour to reconsider my application and to recommend to grant me a Secondary grade Teachers' Certificate without training as per section 4 of article 140 of the Madras Educational rules. For this act of kindness and charity, I pray for your long life and prosperity.

I beg to remain,
most honoured Sir,
your most obedient servant,

M. Vaidyanatha Ayyar

With reference to your endorsement No.2987 A-1, dated 8-10-1974, referring to me for remarks a petition from one B.Joseph regarding the refusal by the Department to issue under rule 140 of the Madras Educational Rules Secondary Grade teachers' Certificates to Elementary Grade teachers without further training, on their passing the Special Examination held under the Secondary School Leaving Certificate Scheme for the benefit of bona-fide teachers, I have the honour to state that to extend to teachers of the Higher Elementary Grade who pass the Special Examination the question the privilege of being considered Secondary Trainee teachers would be undesirable. The training given to

-6- 69

an Elementary Grade teacher is different in content and methods from that given to a Matriculate or to the holder of a Secondary School-Leaving Certificate selected for Secondary training. The professional qualifications of a teacher trained for the Higher Elementary Grade cannot be reckoned as equivalent to those of a teacher trained for the Secondary Grade merely because he passes a higher literary test. Nor was this the object with which the Special Examination was instituted. Its aim was to give bona-fide teachers an opportunity of getting Secondary training and thereafter and only thereafter being considered Secondary trained teachers. Further the Special Examination gives Elementary Grade teachers a sufficient and very real concession, namely the opportunity which previously did not exist of qualifying as Secondary trained teachers. Moreover, if the concession referred to in the petition is granted it will be difficult to refuse to allow trained F.A.'s who subsequently pass the B.A. Degree Examination to rank as L.T.'s.

2. The statements made in paragraph 3 of the petition are wholly inaccurate. The Examination is not held as stated therein.
3. The petition is herewith returned as requested.

The Secretary to the Government,

The humble petition of
M. Vaidynatha Aiyer, Teacher,
Kalyanasundaram High School,
Janjore.

Most honoured Sir, In submitting herewith the endorsement letter no 8213/14 dated 15-X-1917, of the Director of Public Instruction, Madras, with my returned petition dated 8-10-1917, I humbly beg to state that I, who have just passed the Special Examination under the S. S. L. C. Scheme for Bona-fide Teachers, possess good abilities to handle classes and lower forms in a high school as I have served under able and efficient superintending headmasters for over 7 years in the Kalyanasundaram High School, Janjore, which is considered to be one of the best high schools in the Presidency. Here I humbly beg to add that, as I have been trained according to the new regulations and as I have got a first class trained teachers certificate of the Elementary Grade my methods are up to date and my teaching

is impressive. I respectfully beg to note that I hear from a reliable source, that, during last year, higher grade teachers' Certificate have been issued to those trained men who pass the Special Examination for teachers without further fresh training according to the article 140 of the Madras Educational Rules.

Under these circumstances, I humbly request your honour to reconsider my petition on this line and to recommend to grant me a trained teachers' certificate of the Secondary Grade without fresh training.

If your honour considers that my request is inadmissible, I request your honour to grant me, at least, permission to appear for the Preliminary Examination for teachers in the Secondary Grade in private without undergoing fresh training in a government training school, as I have been trained once.

I beg to remain,
most honoured Sir,

The humble petition presented by

Most honoured Sir,

In enclosing, herewith, a
Copy of letter from the Inspector of European and
Training Schools, Madras, which has been
communicated to me in reply to my application
dated 18th August 1917 and with reference
to the notification on page 681 of the Fort Saint

non-eligibility for awarding higher grade

further fresh training to those trained men
who pass the Special Examination under
the S. S. L. C. Scheme for the benefit of

following few lines to your honour's kind

I beg to state that, on 18th Augst
1917, I sent an application to the Inspector
of Schools, Vi Circle, Tanjore, through the
headmaster, Kalyanasundram High School
Tanjore, requesting him to grant me
a Secondary grade Teachers' Certificate

for which I am entitled under section 4 of article 140 of the Madras Educational Rules, without fresh training, stating the following reasons for the eligibility to get me a higher Grade Teachers' Certificate without fresh training a second time.

- i. As I have passed the Special examination under the S. S. L. C. Scheme for the benefit of teachers in the year 1917.

in forwarding my paper to the Inspector of Schools was pleased to make the following remarks

'Forwarded to the Inspector of Schools, VI Circle, Tanjore, for favourable Consideration. Mr M. Vaidyanathan is a good teacher. His teaching is methodical and impressive.'

4. The Inspector of Schools, VI Circle in forwarding my paper to the Inspector of European and Training Schools, Madras, was pleased to make favourable remarks on my paper which, I think, run as follows and which may be seen in his endorsement N. R. C No 1193 T/17 dated 24th August 1917.

'A Secondary Grade Teachers Certificate may be given to him (the teacher) as he passes the Special Examination for teachers.'

The paper has been returned with the remark that I should undergo a fresh training once more. Now, I beg leave to approach your honour with certain points and I request your honour to reconsider my application.

No. 231 of 12. 11. 17

The special examination was introduced to
to fulfil the U.S. Matriculation Commission in
with the case of men who, owing to the introduction
of the S.L.C. scheme are unable to pass the
matriculation examination and therefore to
get admission to secondary training schools. It
was intended as a concession to such teachers
and was not meant to have any relation to
G.O. no 1137. The number of such men is
small and it was anticipated that in a
few years they would be worked off, and if they
stood any aptitude they would be trained as
secondary teachers.
The rules proposed by the petitioners are no
longer in force - the one - scheme to have
passed the special examination he refers
to. The present rules are in G.O. 934 of
2. 1. 16. It can be seen ^{also} that the examina-
tion is by no means so hard as the D.P.D. often
has said in its matriculation. The words of
