I have the honour to report that a subsidy of Rs 4,957/- sanctioned by Government in their order 709 Home Educational dated 29th May 1917, for the completion of the school building at Tirubhuvanani is not fully required for the work at present as the acquisition of site for the building is still under correspondence. The District Board has therefore proposed to reserve only Rs 1,069-8-0 for the acquisition of the site for the work, and divert the balance of Rs 3,887-8-0 under this work and the savings of Rs 349 effected out of the grant sanctioned for the completion of the school building at Valangimman towards the construction of an Elementary school building at Muttupet. An estimate for Rs 6,700 was sanctioned for this
