2. The application, the object of which ^{is} being in consonance with one of the means mentioned in paragraph 3 of the Proceedings of a private conference of Principals held in Madras on the 18th July, may be treated as worthy of special support, as a tentative measure in view of the importance of effort in the direction of a more varied and fuller

Grant-in-aid of the furniture required for the reading & recreation rooms of the Wesley College, Rozapetta.

[C.R. 12.14 B]. From the A.P.D., Re No. 6874/17 of the 15. 10. 17.

Please see para. 3 of the proceedings of H.E.'s Conference with the principals of colleges in the 15. July 1917, in which the importance of promoting social and friendly intercourse between staff and students was discussed and the suggestion was made that further provision for play-grounds and for a common reading room in addition to the usual college library should be made. This suggestion is separately under consideration; the A.P.D. has been requested to submit an estimate of the total requirements in the matter and his reply is awaited.

2. In the particular case of Wesley College now submitted, aid is asked for not only for furniture but also for a tennis court with wire netting and for colouring and whitewashing of rooms which should legitimately be carried out as an ordinary repair from the funds of the school itself. It does not appear that the "colouring and whitewashing" herein referred to come under the "repairs" contemplated in art. 50 (a) of the Grant-in-aid Code. The Director apparently intends to bring the case within the provisions of art. 57 of the Grant-in-aid Code. This rule permits of grant not exceeding one-half of the total cost

for furniture and for expenses connected with games up to a limit not exceeding the amount of fees for games collected during the present school year from the staff and pupils. I also observed that the Director's proposal goes beyond the limit above referred to. ^(Further the prop) I sanction a grant amounting to three-fifths of the estimated cost ^(also) makes the case special one.

3. It is for consideration whether the Director's proposal may be accepted. It is the first time kind. Submitted that the remarks of the Financial Department may be obtained in the first instance.

The grant recommended may be sanctioned. The Principal states that the College funds cannot afford any fund towards the objects for which grants are now applied for. The balance of one fourth of cost is to be raised from funds by subscription. It would probably have been better if efforts were made at first to collect subscriptions towards the expenditure & then apply for grant for a part for the balance that could not be raised by subscription.

The total cost of furniture etc
required to Equip the Reading and
Recreation rooms attached to the
Wesley College, Royapettah, is
Rs. 962 as follows:-

	Rs.
(a) Furniture	304
(b) Games. (Ping-pong table, Tennis Court etc)	613
(c) Colour and white washing..	45
	<u>962.</u>

The D.P. J. recommends a grant
of Rs. 721 being three-fourths of
the total cost. Home (Ednec.) would
omit item (c), as it should
be borne by the School authorities.
cf. portion B on page 1 ante and
Home Secretary's note above. As
pointed out in para: 3 of Home
(Ednec.) office note on page 2 ante
the present case is the first of
its kind. The procedure which
will be adopted in the present
case will, it is submitted, be
treated

treated as a precedent for future cases.

2 According to rule 57 of the Grant-in-aid Code,

(a) grants not exceeding one-half of the total cost may be given for furniture; and

(b) in connection with expenditure on games, grants may be given up to a limit not exceeding the amount of fees collected during the preceding ^{School} year from the Staff and pupils.

The grant which can be given by Govt. in the present case with reference to the above rule, may be taken as under:-

(a) Furniture - (half-Cost) ^{Grant Rs.} 152

(b) Games - (half the cost, assuming that the remaining half represents the amount of fees collected in the preceding year) } 306

(c) Colour + white washing.. 116

Total.. 458

3 It is therefore respectfully Submitted for orders whether the grant in the present case may not be restricted to the above sum of Rs. 458.

$$\frac{1}{2} \times 304 = 152$$

$$\frac{1}{2} \times 613 = 306$$

We may waive this. dy

I think so, however much one may wish to encourage association of the staff with the pupils, such encouragement should not be effected wholly or in a great measure at the expense of the general tax-payer. In some cases there may be very strong justification for going beyond the rules, but such cases should be the exception.

Financial Council to be paid Rs 458 without H.O. orders.
