Government of India,
DEPARTMENT OF EDUCATION.
(Education.)

Simla, the 1st November 1917.

From

The Hon'ble Sir E.D. MacLagan, K.C.I.E., C.S.I.,
Secretary to the Government of India.

To

The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

(P)

1 am directed to refer to your letter no. 613-Edl., dated the 2nd June 1916, forwarding a memorial from Mr. N.D. Daru, late acting professor of Geology at the Presidency College, Madras, appealing against the local Government's action in not confirming him in the Indian Educational Service.

2. As was intimated in this Department letter no. 805, dated the 25th August 1916, further consideration of Mr. Daru's memorial was postponed pending receipt of the report which the Secretary of State invited the local Government to submit in regard to the best arrangements for filling the chair of Geology at the Presidency College. The local Government's decision to postpone recruitment for this post till after the war led the Government of India to suggest the possibility of Mr. Daru's re-employment in the Indian Educational Service on probation for a further period of one year. As this suggestion is not acceptable to the Governor in Council, I am now to say, with reference to Mr. Daru's memorial, that, though the delay in settling the question of his retention in the Indian Educational Service is to be regretted, the Government of India agree that Mr. Daru's contention that the fact of his receiving no specific orders of confirmation or reversion to the Geological Survey till after the termination of his probationary period gave him the right to be confirmed in the Indian Educational Service cannot

be accepted. The Government of India are not prepared to
revoke the local Government's decision not to confirm him
in the Indian Educational Service and they regret that they
are unable to accept the suggestions put forward by Mr.
Daru for his employment in the Education Department. I am
to request that with the permission of the Governor in
Council Mr. Daru may be informed accordingly.

I have the honour to be,

Sir,

Your most obedient servant,

Smalagan

Secretary to the Government of India.
