A.S.'s query II:- Attention is solicited to G.O. 1448 & 7.x.15 in which it has been decided that local bodies should bear from their funds the charges on account of repair of school buildings constructed with the help of Provincial grants.

2. A.S.'s query I:- In G.O. 464 dated 2-7-1906 the Govt have decided as a special case to bear the annual net cost of the Secondary School, Cotacamund and to construct a new school-house from Provincial funds and to hand it over to the Municipality.

A new building has according been constructed by Govt. from Provincial funds

funds; and the estimate of Rs. 800 sanctioned in G.O. 1055W & 15-7-16 for providing wooden paling round the school — the actual cost comes to Rs. 651 — forms a portion of the total estimate for the construction of the new building. As the expenditure does not relate to 'repairs', and as 'Govt.' have agreed to bear the entire cost of the building which will remain the property of 'Govt.', it is submitted that the present expenditure (Rs. 651) may be borne by Provincial funds.

It is also subd. that it does not seem necessary that G.O. 1055W & 15-7-16 should have been sent to Financial for acceptance — vide rule 8(VI)(a) of Interdepartmental Refce Rules.
