HOME (EDUCATION) Department.

Sir,

In G. O. No. 1141, Home (Education) dated 31st October
1916, Government were pleased to sanction the retention of
the services of Miss Winifred Park, temporary lecturer on
Domestic Economy up to the 31st December 1918. I have now
the honour to submit copy of her letter dated 7th May 1917
in which she applies for leave without allowances for the
period of her employment on military service and to recom-
mend that she may be allowed to go and that the period of her

absence on duty as a Military Nurse may be excluded from the term of the temporary appointment which she fills, the appointment of her locum tenens being treated as the creation of a new temporary appointment for whatever period Miss Park's military duty may last.

2. I ~~further~~ beg to inform Government that I learn that Mrs. Deighton who was Miss Park's predecessor and who only resigned because she could not reside in Madras, will be in a position to take up this temporary appointment and that I propose to offer it to her on Rs. 300 per mensem which is Miss Park's starting pay.

I have the honour to be,

Sir,

Your most obedient Servant,

Letter dated 7th May 1917 from Miss Winifred Park, Domestic Economy Lecturer for European Schools, St. Helen's Lovedale, Ootacamund.

3
Some nine months ago an appeal was issued from the St. John's Ambulance Association asking for Volunteers owing to the shortage of Military Nurses. I offered my services and had a notice a few days ago to tell me that my services will shortly be needed. As I have a chance now to do a little for my country I feel I must go. On the other hand I am loth to give up my appointment in Madras where I have been nearly three years.

Under the circumstances I venture to apply for leave without pay. As the cost of running the Domestic Economy Class has considerably increased owing to the cost of materials I venture to hope that my application will be considered.

The ACCOUNTANT-GENERAL, MADRAS,

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS,
Home (Education) Department.

SIR,

With reference to Government's endorsement's No. 346 B-1 dated the 2nd June 1917 referring to me for remarks letter No. R.C. 3801/1917 dated the 25th May 1917 from the Director of Public Instruction, Madras regarding the grant of leave without allowances to Miss Park for the period of her employment as nurse, I have the honour to state that as she holds only a temporary appointment under Government she is not entitled to leave without allowances for more than 3 months--
Vide note 2 to Article 339 of the Civil Service Regulations.

2. Service as nurse under St. John's ambulance association is not military duty and there is no rule which provides for transfers of service to this particular appointment of "nurse" under the "Association". She cannot, therefore, be treated as on other duty in the military Department with a lien on her present appointment during her absence. The

for the time being and remuneration on a pay of Rs. 325/- per mensem on the expiration of her duty as nurse.

3. There is no audit objection to Mrs. Deighton being appointed to the vacant post (during Miss Park's absence) on a pay of Rs. 300/- per mensem.

4. As regards the proposal of the Director of Public Instruction that the period of Miss Park's absence should be excluded from the term of the temporary appointment, I may add that if the period of her temporary duty as nurse expires after 31st December 1918 the sanction of Government would be necessary to the continuation of the temporary appointment after that date and to Miss Park joining it.

5. The enclosures received with Government's endorsement are herewith returned.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Accountant General.

that the post be made permanent with retrospective effect. The Accountant General's solution is the best, terminating Miss Parker's services & appointing Mrs. Deighton to the temporary post. The D.P. may be told that Miss Park may be re-employed on 325 on her return; Mrs. Deighton should also be informed.

It is unnecessary to commit ourselves now to any opinion on the continuation of the classes beyond 1918 or to giving Miss Park a permanent appointment.

I spoke to the D.P. I. His difficulty
is this. If Miss Park returns and
if the post be declared permanent,
she will lose her permanent service.
Please examine if the Govt have

to Miss Park, when the above controversy arises.

My 8/11/17

Under art. 422 of the C.S.R. as corrected by slip 142 of 14-8-16 the Local Govt. appear to be competent to condone any interruption of service in Miss Park's case. This is, however, a matter on which a decision can be given only at the time of sanctioning pension.

2. The simpler solution appears to be this. If and when the post is made permanent, Miss Park may be confirmed in it with retrospective effect and her absence treated as leave without allowances. Such leave can be given for a period not exceeding five years (art. 191 C.S.R.), and it is not an interruption to duty - c.f. art. 420 (a) of the C.S.R. - and will not deprive Miss Park of her past services.
