From (Name) C.A. Innes, Esqr., I.C.S.,

(Designation) Director of Industries, Madras.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to acknowledge the receipt of
(R) G.O. No. 2934, Revenue dated the 18th September 1917 forward-
ed with your endorsement No. 3028 A-1 of the 29th October 1917
regarding the agreement made by the Indian Munitions Board
with certain cement companies for cement required by Govern-
ment and Railways.

2. As Director of Industries, I venture to suggest for
the consideration of Government that the South India Industries
should be given a chance of supplying cement to Government
Departments in Madras at approximately the same price as that
agreed upon between the Indian Munitions Board and the three

firms mentioned above. The South India Industrials is a Madras industry, and provided that its price is reasonable and the quality of the cement supplied is good, I venture to think that Government Departments in Madras should support it as far as possible.

I have the honour to be,

Sir,

Your most obedient servant,

Chinn

Director of Industries.
