To

His Excellency The Right Honourable

John Baron Pentland of Lyth, P.C., G.C.I.E.,

Governor of Madras,

Fort St. George, M A D R A S.

Thro'

The Second and Chief Presidency Magistrates,

M A D R A S.

The humble memorialist of
Gulam Muhammad Ghose Sahib, Grand-
son of His Highness Zahirud-doula
Bahadur G.C.S.I., the late Second
Prince of Arcot.

Most Respectfully Sheweth:--

That the memorialist is a grandson of the late
2nd Prince of Arcot and a Great Grandson of the late Hon'ble
Sir Shurful-Umrah Bahadur, K.C.S.I. who was a cousin of His
Highness Azeem Jah Bahadur the late 1st Prince of Arcot and
the memorialist is in receipt of a perpetual Stipend of
Rs.16/- per mensem.

2. That the memorialist studied up to the Matricula-
tion Standard and completed in 1913 the course for the
School Final. To his great misfortune memorialist fell
suddenly ill and could not attend the Examination. With
great difficulty he attended on the 1st day of the Examina-
tion and was able to secure 32 marks in English. Soon
after his recovery the memorialist mother (daughter of the
second Prince of Arcot was attacked with Paralysis and
lingered in that state for about a year, then she died.
During all this period memorialist could not regularly pro-
secute his studies owing to his anxieties for his mother's
health. A copy of the School final Leaving certificate

is herewith attached for perusal and also a certificate from Rev. Goldsmith, the manager of the Harris High School.

3. That the memorialist, on account of pecuniary and other difficulties, could not prosecute his studies further and with a view to join Government Service submitted a petition on 12-11-14 to His Excellency through the Prince of Arcot praying to be exempted from the Examination rules. The Prince of Arcot ⁱⁿ forwarding the petition through the Paymaster, Carnatic Stipends, strongly recommended petitioner's request. The Government were pleased to order that the exemption sought should be applied for through the Head of the Department, Petitioner wishes to enter.

4. That the memorialist joined Government Service in 1915 as Examiner of Copyists in the Presidency Magistrate's Court, Georgetown. He is permanent on Rs.15/- and has acted as clerk on Rs.20/- on several occasions and ^{still} continues as such. It will be seen from the testimonial attached, that memorialist has been discharging his duties to ^{the} entire satisfaction of his superiors.

5. As memorialist's prospects of further advancement in the Department are barred, unless he is exempted from the Examination rules, memorialist in accordance with the order of Government mentioned in para 3 above, renewed his request for exemption through the head of his Department. But to his great grief Government passed orders in G.O.

(M) No.1200 Edl. Mis. dated 8-11-15 stating that the Government see no reason to exempt the petitioner from the operation of the Examination rules.

6. That the memorialist respectfully begs to approach Government for reconsideration of the above order in consideration of the circumstances mentioned above. In

this connection memorialist ventures to submit that Government have been kind enough in many instances to exempt members of the Carnatic Family who have received a reasonable good education in English. This was also one of the recommendations made by the Prince of Arcot in the last Paragraph of the extract of the proceedings of a conference held in the Secretariat on the 8th January 1916. Memorialist begs to cite the following instances of exemption granted by Government in the year 1913 to 1916 to close relatives of memorialist, some of whom possess less educational qualifications than him.

Memorialist humbly prays His Excellency will be graciously pleased to grant the same concessions to him, so that there may be no bar to his advancement in the Department and to enable him to apply for the Special Test Examinations and qualify himself for higher position in the Department.

For which act of grace the memorialist shall as in duty bound ever pray for His Excellency's long life and success.

Sir,

I have the honour as directed
by His Prince of Arcot to forward to you
herewith a memorial to His Excellency
to Governor of Madras from Ghulam
Muhammad Ghano Sahib, a member
of the Arcot family dated 12 November/14
for favour of your transmission
with your kind recommendation.

2. Belonging as the memorialist
does, to the Arcot family which is
rather backward as compared with
other Communities and very few

few come forward to seek Govern-
-ment Service, it will be a source
of great encouragement if the
young man is exempted from the
Educational rules and allowed
to enter Government Service
where in the members of the family
could earn distinction in keeping
with the best traditions of the
Acreat family.

3. I need hardly state that
the Government have been generous
enough, usually in such cases
to extent their kind patronage
whenever members of a respectable
family come forward with a
willingness to work with zeal
and applied for exemption from
rules which stand as a barrier
to them in the realisation of their
just aspiration.

Abstract Proceedings Of A Conference Held In The Secretariat
At 12.15 P.M. On Saturday The 8th January 1916, On The Sub-
ject Of The Perpetual Carnatic Pensioners.

It was suggested by the Prince of Arcot that in
case of the members of the Carnatic Family who have reci-
ved a reasonable good education in English, special con-
cessions might be granted to them to enable them to enter
into the public service and that efforts may be made to
provide employment in the Public service for those who are
now qualified for such service but who have not yet been
employed.

Subject: - Exemption from the
exam: rules.

Please see G.O. No.

(M) 1200 Edl.: d/ the 8th Nov. 1918 wherein
the Govt. declined to sanction the
exemption from the exam: rules of
Ghulam Mahomed Ghousa
Sahib. The considerations which that
order was based appear to have
been: - (i) That the Chief Presidency
Magistrate, the head of the office in
which he is employed, had no
recommendation to make, and

G.O. 4.5 of G.O. 11 (M)

(ii) That the applicant
had specified neither the post
he desired nor the exam: from
which he sought exemption

2. Even the present application
is not very clear in that it does
not specify the app't: for which
the exemption is to hold good.
The Chief Presidency Magistrate in
whose court the applicant is working
is however inclined to recommend
the application. application - vide p. 11

2 The case may be referred w/o to the Home (Educational) and Public (Political) Dept. for remarks in the first instance. Should they decide to grant the exemption they may also be requested to state whether the exemption should carry with it the right to appear for all special tests and whether any restrictions should be imposed as to the appt: which the candidate may hold in virtue of the exemption.

 Since the orders of 1915 the applicant seems to have fairly convinced his employer of his capacity to hold a clerk's post. The second Presy Magistrate Speaks well of his qualifications. An exemption from Art. 1 of the Public Service Notification should, under existing orders, place him on an equal footing with those who possess the minimum qualifications prescribed in the art. and render him qualified to appear for all the Special tests.

As regards the limit of salary, we may for the present allow him to hold posts up to Rs 35 per mensem.
