I am to ask you kindly to send for His Excellency's perusal the papers connected with Mr. S. J. Hall's (Physical Instructor, European schools) application for increase of salary.

HOME (EDUCATION) DEPARTMENT.

G.O. No. 1141, Home (Education), dated the 31st October 1916, relating to increase in the salary of Mr. S. J. Hall is put up together with the connected papers. The file may be sent to the Private Secretary to His Excellency the Governor.

E. A. HARVEY—25-1-17.

Mr. S. J. Hall—Circumstances have come to my knowledge which make me think that this is a hard case and we cannot expect to retain Mr. Hall's services on the present terms which are costing him money. His salary should, I think, be raised at once in fairness to him and to the work which he does. The Director of Public Instruction has already expressed this view. The matter may rest till his return if you prefer it: but as the Director of Public Instruction's view is already on record, perhaps it would be possible for you to see Mr. Hall and go into the matter with him and see whether anything can properly be done now even under the exceptional circumstances of the war.

P[ENTLAND]—28-1-17.

Please ask Mr. Hall to come and see me at once.

P. RAJAGOPALA ACHARIYAR—29-1-17.

A draft demi-official to Mr. Hall is submitted for approval.

Demi-official—from E. A. HARVEY, Esq., I.C.S., Under Secretary to Government, Home (Education) Department.

To—Mr. S. J. HALL, Esq., Instructor in Physical training for European schools.

Dated—the 30th January 1917.

No.—458-1.

The Secretary desires to see you as soon as possible in connection with your application for an increase of salary. He will be in the Secretariat office in the Fort between 12 noon and 3 p.m. today.

Mr. Hall came to office and represented as follows.

His pay under the Government of Bengal was Rs. 150 and all found. Here he gets Rs. 200 and nothing found. He was under the impression when he accepted the post that living was four times as cheap as in Calcutta. He finds he is wrong. He says that he cannot possibly live on Rs. 200 per mensem decently in Madras.

His wife also was drawing (in the joint appointment) the equivalent of Rs. 100; she is still in Bengal. When she comes here, Mr. and Mrs. Hall will have to live on Mr. Hall's pay.

Mr. Hall states that he took up the job on Rs. 200 as it was a good opening and hoping for better conditions.

He adds that the appointments held in Madras by Miss Park (Domestic Economy), Miss Kenny (Dressmaking) and Mr. Fyfe (Manual Training) are at home paid the same or about the same as his own; but that here these officers are not only much better paid than he is, but get double his travelling allowance and double first-class fare in trains, whereas he gets only double second. He visits the same places and schools and puts up in the same places; his travelling expenses therefore apart from train fares are exactly the same as theirs.

Miss Park whose pay was recently raised (on threat of resignation) has no one to

* Also Miss Kenny. support * but herself and has relations to fall back on. Mr. Hall has a family to support and no one to fall back on (Hence he did not resign?).

He would of course prefer that his pay should be incremental, i.e., Rs. 200—20—300. That would give him Rs. 260 now if calculated from beginning of appointment. States Mr. Melville supported this.

Mr. Hall states that his results have been excellent and, if Government consider necessary, a special report may be called for; he attributes his success to his previous experience which an army man such as, he thinks, the post was designed for, would not have had, and consequently would not have accomplished as much.

The case may now be sent to Financial for favour of reconsideration.

Director of Public Instruction u.o. for early remarks.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

I think that my recommendation of Rs. 250 from last October would meet the case. The position could be reconsidered towards the end of Mr. Hall's five years.

J. H. STONE—2-2-17.

HOME (EDUCATION) DEPARTMENT.

The case may, it is submitted, be sent to the Financial Department for favour of consideration of the proposed increase in the pay of Mr. Hall from Rs. 200 to Rs. 250 per mensem with effect from the 1st October 1916.

FINANCIAL DEPARTMENT.

Mr. Hall is the instructor in Physical training on Rs. 206 a month and is at present on a five-year agreement which will expire in September 1918. Last September the Director of Public Instruction recommended that his pay should be raised to Rs. 250, but Government considered his application for an increase in salary should be renewed when his initial period of appointment expired.

His Excellency now desires that Mr. Hall's salary should be raised at once in fairness to the work he does, and the Director of Public Instruction recommends an increase of Rs. 50 from October last. Financial might, I think, accept the proposal to give Mr. Hall an increase of pay and suggest Rs. 25 now and another Rs. 25 after a year. We might deprecate retrospective effect and suggest that the increase should, following the usual rule, take effect from the date of orders.

L. E. KERSHAW—6-2-17.

Financial may, I think, accept a rise of fifty rupees, without retrospective effect.
