EDUCATIONAL COMMISSIONER
WITH THE GOVERNMENT OF INDIA

Delhi, 19th December, 1917.

Edwin B

17th Dec 1917

Dear Diwan Bahadur,

I send you a copy of the correspondence which I have had with the Honorary Secretary of the Andhradesa Library Association and now write to you in case the Association addresses the Local Government with a view to sending a representative to the Conference of Librarians. I do not know what the value of the Association is. But it would be difficult at so late a day to add another name to the already very long list of members of this Conference. I have already had to refuse certain similar applications. Of course however if the Local Government consider it important that the Association should send a representative, I shall do what I can.

I am,

Yours sincerely,

W. S. S. S.

The Hon'ble Diwan Bahadur R. Ramachandra Rao, Avergal,
Secretary to the Government of Madras, (Education)
Fort St. George, Madras,

V. C.

9. No. 535

Delhi, 19th December, 1910 7.

Sir,

On my return to Delhi last night I received your letter of the 13th instant. I should be very glad if a representative of your association could attend the Conference. But the Department of Education asked the Local Governments to suggest representatives. I could therefore hardly accept a representative who was not recommended by the Local Government and in view of the fact that the Conference has already grown to a very large size I think that a very special case would have to be made out before any further additions could be made.

As regards the reading of paper, it has been arranged that one or possibly two papers should be read upon very special aspects of library work. It will be difficult to fit these papers in and I am afraid there would be no time for any other papers.

I am writing to the Secretary to the Government of Madras regarding the matter.

I am,
Yours sincerely,
Ed. H. Sharp.

The Hon. Secretary,

Andhradesa Library Association,
Bezawada (Madras).

Copy of letter dated the 13th December, 1917 from the
Honorary Secretary, Andhradesa Library Association, Bezwada
to the Educational Commissioner with the Government of India.

I have received your letter No. 509, dated 2nd December
1917. Under the auspices of the Andhradesa Libraries Asso-
ciation free public libraries are being organised in the
eleven Telugu districts of Madras Presidency and the Nizam's
territory. In connection with ^{this} some of the members of our
Association had to study the different systems of classifica-
tions of books obtaining in different countries at various
periods. We have so far evolved a system of classifica-
tion with special reference to the peculiar features of the
existing systems. I request you will kindly provide for a paper
to be read by one representative of our association on the
subject of the classification of books or cataloguing. This
paper will naturally deal with relative merits of the different
systems of the classification, the requisities of an ideal
classification, and eventually with the new scheme suggested.

Considering the importance of the subject and the labor
already expended by our association on this branch of the
library movement, I request you will kindly consent to allow
our representative some time during the deliberations of the
Conferences for reading his paper and also admit him as a
delegate to the conference on behalf of our association.

For the Registrar

As the Andhradesa Library Association has not yet addressed this Govt about sending their representative to the Conference and as the Conference meets at Lahore today, it is submitted, that no action seems necessary on the D.O. from the Educational Commissioner, on p/supra. It may be kept lodged and stitched with So. No. 1528 Home (Edn) dated 3.12.17.
