READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—the 15th November 1917.

No.—R.C. 4073/16.

In continuation of my letter to Government Camp No. 13, dated 17th September 1917, submitting proposals for further measures that may be taken for the development of Muhammadan education in the Presidency, I have the honour to submit that the Inspectress of Girls' schools, Central Circle, has recommended the institution of four special scholarships to be awarded annually in form I to Muhammadan girls reading in the Hobart Secondary school, Madras. I support her recommendation as the Hobart school is the only secondary school for Muhammadan girls and it is very desirable that every effort should be made at this initial stage to ensure its successful development. The girls reading in the school, are, in general, reported to be poor and with the aid of scholarships pupils may continue whose parents are insufficiently alive to the advantages of secondary education for their daughters to make any considerable pecuniary sacrifice on their behalf. Further, special scholarships are awarded to Muhammadan boys in secondary schools and may with even greater justification be awarded to Muhammadan girls. I have the honour, therefore, to request that Government will be pleased to sanction the award of the scholarships recommended by the Inspectress from the current year. They may be at the usual rates of Rs. 3 each per mensem in forms I to III and of Rs. 6 in forms IV to VI and may be renewed, like other secondary grade scholarships, in the higher forms each year on the pupils' promotion.

2. If the scholarships are sanctioned, the expenditure during the current year which will be Rs. 108 for nine months from July 1917 can be met from the savings anticipated under scholarships.

Order—No. 1530, Home (Education), dated the 3rd December 1917.

In the circumstances stated by the Director of Public Instruction the Government sanction the award annually of four special scholarships to the Muhammadan girls reading in form I of the Hobart Secondary school, Madras, from the current year and their continuance in the higher forms each year on the pupils' promotion. The monthly rate of each scholarship is fixed at Rs. 3 in forms I to III and Rs. 6 in forms IV to VI.

2. The charge during the current year amounting to Rs. 108 will be met from the anticipated savings in the provision under "22-H. Education—scholarships" in the Civil Budget Estimate for 1917-18.

NOTES CONNECTED WITH G.O. No. 1530, HOME (EDUCATION),
DATED THE 3RD DECEMBER 1917

[SUBJECT.—Scholarships in the Hobart secondary school.]

From the Director of Public Instruction, dated 15th November 1917,
R.C. No. 4073/16.

The Director of Public Instruction's proposal to sanction four scholarships in the Hobart secondary school, Madras, from the current year appears to be reasonable and moderate. The full number of scholarships will come to be granted only after six years when the annual cost will come to Rs. 1,296. The cost during the current year amounting to Rs. 108 can, as proposed by the Director of Public Instruction, be met from the anticipated savings under 22-H. EDUCATION—'Scholarships' in the Civil Budget Estimate for 1917-18. At present there is no provision for girls' scholarships in secondary schools for Muhammadans. The Director of Public Instruction's present proposal is to supply this want.

2. The cost during the next year amounting to Rs. $(4 \times 3 \times 2 \times 12)$ 288 may be provided under the same heading against 'Secondary schools for girls' in the budget for 1918-19 which is separately under examination.

3. A draft order is submitted for approval. If approved, it may be forwarded to the Financial Department for acceptance.

P.R.—19-11-17.

T.K.—27-11-17.

There are only eighteen scholarships for girls in secondary schools. These are general for girls of all classes and castes. Neither these nor the special scholarships for Muhammadan widows will obviously be available for Muhammadan girls intended to be served by the present proposals. Secondary schools for Muhammadan girls are just coming into existence and the Hobart school is the first Government institution of the kind. Encouragement by way of scholarships is therefore justified and the Director of Public Instruction's proposals may be sanctioned.
