Subject: Provision in the budget for 1918-19 to meet the charges on account of electric current consumed in the office of the A. S. S. for Epigraphy.

Since the transfer of the headquarters of the A. S. S. for Epigraphy to Madras, the office has been located in a rented building on the Poonamallee road; one of the conditions under which the rented building has been taken on lease is that the Govt. should repay to the lessor all charges paid by the latter on account of electric current consumed. Mr. Krishna Rao, Secy, Home Dept., requests sanction for the inclusion of a sum of Rs 2.00 in the next year's budget to meet the above charges. As the item is a recurring one, it may be desirable to give a general sanction over for specifying a maximum limit of Rs 2.00 p. a. all. So as to obviate frequent references to Govt. a draft order is accordingly submitted. If
