Exemption from the lower subordinate test.

CNo. 334745. Application from G. V. Srikanthan

DW.

One, G. V. Srikanthan, who says that he acted as a sub-engineer for a short period in the Kammambodi sub-engineer, ~~the Kammambodi project~~, project requests permanent exemption from the lower subordinate test of the Madras Civil Engineering College. His qualifications are that he has completed a two years course in the Mysore Engineering School and that he has passed certain Govt. Technical Examinations detailed on p. 3 of L.O. No. 416 Edl. & 11.4.14, Govt. have already declined to recognize the sub-engineer's test of the Mysore Engineering School as equivalent to the lower subordinate test. It is, however, for consideration whether Srikanthan pass in the ^{Mysore} Engineering School together with those in the Govt. Technical Examinations shown on p. 3 may be considered as equivalent to the qualifications of a lower subordinate of the Madras Engineering College. But

by the

The Principal, College of Engineering, has also stated - vide p. 3 of the notes leading to memo. No. 1013C & E-2.17 - "that the holder of Technical Examinations certificate cannot by a long way be regarded as the equal of the passed lower subordinate students". ~~and~~ The policy now followed is to refuse permanent exemptions from the lower subordinate test to men who ~~passed~~ ^{have qualified in} the technical tests. It seems, therefore, that the request of the applicant should be negative. The application is addressed to the Secretary to Govt, P.W.D. As orders of Govt. have to be passed and as such orders issue in Educational, the case may be transferred to Education for issue of orders.
