to the discussion at the Collectors' recent conference held at Ootacamund as to the meaning of a completed Secondary School Leaving Certificate, any modification of the Government Order may be expected.

2. Article 1 of the Public Service notification prescribes as the minimum general educational qualification for posts in the superior service, the sanctioned pay of which exceeds Rs. 20/- per mensem "a completed Secondary School Leaving Certificate issued under the authority of Government showing that the candidate possesses sufficient knowledge in the ordinary subjects and in two optional subjects other than Short-hand and Typewriting." In clause (1) to paragraph 1 of Government Order No. 1021-Home (Education), dated the 6th August 1917, the words "Sufficient Knowledge" have been omitted and it is, therefore, not clear whether a candidate who holds a Secondary School Leaving Certificate but, who has obtained very poor marks or none at all in the several subjects at the public examination should be considered eligible for admission into public service.
