Home (Education) Department.
Through the Accountant-General, Madras.

Sir,

I have the honour to request that Government may be pleased to sanction with effect from 1-11-1917 a personal allowance of Rs. 20/- per mensem on behalf of M.R.Ry K. Achyutan, Sergeant, Presidency College, Madras. Prior to his appointment as Sergeant M.R.Ry. Achyutan was for a long time holding the post of Gymnastic Instructor in the same College on Rs. 60-2-80 which was abolished when the post of Sergeant was created under G.O. No. 150 Educational, dated 14-2-12. He represents that besides possessing special qualification as a Gymnastic Instructor he is a Matriculate and possesses a trained teachers' certificate. He has served the department for about 22 years, twentyfive of which have been spent in the Presidency

Presidency College. During this period he has worked under six Principals all of whom were pleased with him and have testified to his good work. The present Principal Mr. Allen in recommending the grant of personal allowance remarks as follows:- 'The range of M.R.Ry. Achyutan's duties is by no means exhausted. It is conceivable that in certain circumstances the Sergeant may be called upon to exercise functions of enhanced responsibility. He has shown himself a willing worker in the past and I look for similar zeal and efficiency in the future in such duties as he may be called upon to carry through'. In addition to the duties of superintending the buildings and compound and maintaining order and discipline devolving on him as Sergeant, M.R.Ry. Achyutan is entrusted with the work of consolidating the attendance registers and preparing the term certificates of students. This is in my opinion not a mere clerical but a very responsible administrative work which he is fit to discharge on account of his general education qualification and long experience and which cannot be assigned to an ordinary Clerk. In these circumstances and in view of the fact that M.R.Ry. Achyutan is to retire in a few years, I strongly recommend the grant of a personal allowance of Rs. 20/- per mensem on his behalf. To that he may be enabled to draw a pension of at least Rs. 50/- per mensem which he fully deserves.

2. The extra charge involved during the 4 months of the current year will be Rs. 80/- and can be met from the anticipated savings under salaries of Arts Colleges in the current year's budget.

I have the honour to be,

Sir,

Your most Obedient Servant,

G. Viswanathan
for Director of Public Instruction.

2. There is no audit objection to the proposed personal allowance being sanctioned by Government.

3. The allowance proposed is apparently a compensatory Personal allowance, as defined in Rule 2-II of Appendix B(B) of the Madras Supplement to the Civil Service Regulations embodying Government of India Financial Resolution No. 358 E.A. dated the 31st August 1912 and it should not ordinarily exceed 20 per cent of the officer's salary which is Rs 80/- per mensem and the officer should have been drawing the maximum pay for a period of 5 years atleast. Mr.K.Achyuthan will complete 5 years on Rs 80/- on the 28th February 1918 only.

4. As the proposal in paragraph 2 of the Director of Public Instructions's letter would involve a reappropriation of funds from the group head "salaries" to the head "Establishment", the Director of Public Instruction may be requested to submit a formal reappropriation statement for the sanction of Government in the Financial Department.

C No. 3385 A from the D.P. D. no. 6284 of 16.10.17

[Subject. - Grant of a personal allowance of Rs. 20 per mensem to M.R.Ry. K. Achyutan, Sergeant, Presidency College.]

It is for consideration whether in the circumstances explained by the Director his recommendation to grant a personal allowance to M.R.Ry. K. Achyutan may be approved. ~~Rs. 20,000~~ with the concurrence of Financial. If so, it may be fixed at Rs. 16 and made payable with effect from 1st March 1918 with reference to the A.C.'s remarks on page 3 of c.f.

By 16.11.17
21/11/17
M.R.R. Achyutan has been in the Pres. College for twenty five years on a total service of 33 years & it is not apparently possible to ~~promote~~ take him away from the College to give him a promotion. In view of this & of the fact that he ~~is~~ would shortly have completed a five year's service on the maximum salary of Rs 80, a personal allowance would seem justified. As he has not obviously many years of service before him, a graded scale of personal allowance which could be adopted under other circumstances

may not be suitable in this case.
A lump addition of say Rs 15 may perhaps be sanctioned as personal allowance.

Compensatory local allowances are generally granted only for expensiveness of living or unhealthiness of the locality, and therefore no local allowances are granted in Madras for these reasons. In the case of the Sergeant in question the allowance of Rs 16 is recommended for the reasons given on page 2 of and it does not therefore appear that he can be given a local allowance. Presumably the Home Dept Secretary meant a compensatory personal allowance. If that is so, the proposal seems unobjectionable and may be accepted in this Dept.
