HOME DEPARTMENT (EDUCATION).

G.O. No. 1583, 14th December 1917

University of Madras

Communicating to the Syndicate of the — the report on the audit of accounts of the University for the year ending the 31st March 1917.

READ—the following paper:—

Letter—from A. NEWMARCH, Esq., Accountant-General, Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 3rd, 5th December 1917.

No.—O.A. 9/15022.

I have the honour to report that the accounts of the University of Madras for the year ending the 31st March 1917 have been audited. The statements A to J annexed show the transactions relating to the several accounts which are mentioned below:—

- (1) Fee Fund accounts.
- (2) Endowment Fund accounts.
- (3) Accounts relating to grants paid by Government for inspection of colleges and travelling expenses of Fellows and Members of Boards of Studies.
- (4) Accounts relating to grants paid by Government for University vacation lectures.
- (5) Accounts relating to grants paid by Government for Tamil Lexicon.
- (6) Accounts relating to Imperial non-recurring grants.
- (7) Accounts relating to Imperial recurring grants.
- (8) Accounts relating to the University Expansion Fund.

2. The transactions relating to the Hon'ble P. Ramarayaningar Garu Scientific Telugu Publication shown as account No. 9 in paragraph 1 of the last audit report have been merged in those of the University Expansion Fund account in accordance with the resolution of the Syndicate of the 27th April 1916.

3. *Fee Fund accounts*.—No fresh investments in Government securities were made during the year under report. The invested balance stood therefore at the close of the year at the same figure as at its commencement. On the other hand, the balance in fixed deposit with the Bank of Madras increased by Rs. 70,000 to Rs. 3,05,000. The receipts of the fund during the year amounted to Rs. 3,61,304-5-2 and the charges to Rs. 2,90,244-0-10 which resulted in a net surplus of Rs. 71,060-4-4. Out of this amount, Rs. 70,000 was placed in fixed deposit with the Bank of Madras and the balance of Rs. 1,060-4-4 was added to the cash balance which amounted to Rs. 53,542-11-11 on the 31st March 1917. The difference of Rs. 5,041-4-7 between the above figure, and that shown in my books is due to —

(2) Permanent advance of the Registrar	5,000	0	0
Total	5,041	4	7

The permanent advance of Rs. 5,000 was accounted for as below :—

	RS.	A.	P.
Cash in the Bank of Madras	2,505	5	4
Cash in hand	99	10	1
Amount of bills paid by the Accountant-General on the 31st March 1917, but credited in the Bank on the 2nd April 1917	3,180	13	7
Total	5,785	13	0
Deduct cheques issued but not cashed before the 31st March 1917	—	785	13 0
Total	5,000	0	0

4. It will be seen from Statement A that the compensation received from the several Governments for the loss of income to the University on account of the introduction of the Secondary School-leaving Certificate Examination amounted to Rs. 29,231-4-9. This amount represents the compensation received from the Government of Madras (Rs. 24,000), the Travancore, Mysore and Cochin States, and the Resident in Bangalore. The increase of about Rs. 54,000 in receipts is due mostly to increase in the fees for Intermediate examination (Rs. 29,000), other arts examinations (Rs. 5,000), Examination in Law (Rs. 14,000) and interest on fixed deposit (Rs. 3,300) and also to M.A. Honours degree (Rs. 1,400). The expenditure also rose during the year by about Rs. 47,000. The increase is due chiefly to an increase in the fees to examiners (Rs. 21,500), remuneration to superintendents (Rs. 3,500), contingent charges at Madras (Rs. 19,000) and studentships (Rs. 4,000).

5. *Endowment Fund Account.*—The transactions of this fund are shown in Statement D. Government securities to the nominal value of Rs. 4,800 were purchased during the year and Government paper for Rs. 100 belonging to an endowment was sold in order to cover the deficit.

6. *The Hon'ble Diwan Bahadur V. Ramabhadra Nayudu gold medal account.*—This account closed with a minus balance of Rs. 56-13-10. This should be wiped off either by withholding the medal for a year or by a contribution from the Fee fund. The total cost of the medal including customs duty should be restricted to the amount of annual interest derived from the endowment, viz., Rs. 67-8-0. If this is not possible, a contribution may be made from the Fee fund to cover the deficit.

7. The annual rent of Rs. 480 due from Government on Tum Kum property in Madura (Johnston of Carnsalloch Scholarship) for the year 1916 was received during the year.

8. The total amount of securities as well as the balance in cash with the Bank at the end of the year agreed with the Bank's acknowledgments after allowing for a difference of Rs. 59 due to uncashed cheques.

9. *Accounts relating to grants paid by Government for inspection of colleges and travelling expenses of Fellows, etc.*—This account (Statement E) opened with a balance of Rs. 18,618-12-0 and closed with a balance of Rs. 16,962-1-0 which was found to agree with the balance acknowledged by the Bank after allowing for a sum of Rs. 1,143-2-0 on account of uncashed cheques.

10. *Accounts relating to grants paid by Government for University vacation lectures.*—The interest realized from this endowment and the sale proceeds of Government paper of the face value of Rs. 3,000 were utilized for the payment of scholarships to S. Ramanujam, a University student at Cambridge. The balances in securities and cash agreed with those acknowledged by the Bank.

11. *Accounts relating to grants paid by Government for Tamil Lexicon.*—The Tamil Lexicon account opened with a balance of Rs. 5,639-7-8, exclusive of the permanent advance of Rs. 10. A sum of Rs. 18,000 sanctioned in G.O. Mis. No. 795, Educational, dated the 21st July 1916, was received during the year. The balance agreed with that acknowledged by the Bank.

12. *Accounts relating to Government grants (non-recurring).*—Out of the accumulated amount of interest that accrued on fixed deposits in the Bank of Madras, a sum

of Rs. 24,000 was transferred to fixed deposit during the year, while Rs. 16,500 was withdrawn for expenditure. The balance at the end of the year in fixed deposit and in current account agreed with the certificate of balance furnished by the Bank after allowing for an uncashed cheque.

13. *Accounts relating to Government grants (recurring).*—The recurring grant of Rs. 65,000 from Government was drawn during the year and credited to the account in fixed deposit. A sum of Rs. 16,000 was transferred from cash to fixed deposit. Rupees 25,408-8-8 was paid on account of the development of study, upon modern lines, of the languages of Southern India and Rs. 7,085-11-9 on account of the Professorship in Indian History and Archæology. To meet these charges a sum of Rs. 23,000 was withdrawn from fixed deposit during the year. The balance at the end of the year in fixed deposit and cash agreed with that acknowledged by the Bank after allowing for an uncashed cheque.

14. *Accounts relating to the University Expansion Fund.*—A sum of Rs. 300 (second instalment) was received during the year on account of part payment of a contribution of Rs. 1,000 promised by Mr. K. Raghava Achariyar. A sum of Rs. 262-3-6 was paid for the printing of lectures by M.R.Ry. Rao Bahadur K. V. Rangaswami Ayyangar besides Rs. 350 on account of remuneration for the best scientific Telugu publication. The balance at the end of the year in securities and cash agreed with that acknowledged by the Bank.

15. The minor defects noticed in the course of the monthly audits of the several accounts were pointed out from time to time to the Registrar of the University for rectification.
